Angelika Solie, Pastor of the New Hope Family Church of Landover Hills, Maryland, USA, who was often performing at the same events as Hyo Jin Nim in the 1980s, reported [here](#) about her experiences at the Manhattan Center on January 31, 2009 (used with permission):

It was my great honor and privilege to be a part of the New Hope Singers to sing for our True Parents on their 90th and 67th birthdays!

First of all, it was a brilliant idea inspired by Heaven that In Jin Nim brought Brian Saunders back to lead and conduct us. We had sung those very songs in 1990 for Father's 70th birthday. Brian is one of the best, most skilled conductors, and he also represents so much of the history of our American movement.

Throughout our rehearsals and the days leading up to the birthday, I felt that the entire spirit world was preparing with us and wanted to be a part of honoring God and True Parents, using our voices and bodies.

During our first performance on January 31, it was as if our voices were carried by angels and heaven, especially since many of our throats were hoarse from practicing. There was only one thing on our minds to bring joy to our great Father and Mother.

One time during the entertainment celebration, when our choir was standing in the drafty hallway to wait for our cue to go onstage, I heard Joe Longo's voice from afar, and I felt the spirit and presence of Hyo Jin Nim in the hallway. Tears came down, tears of joy and gratitude, that his legacy continues here at the Manhattan Center. ♡

In her [January 31, 2009](#) talk about Cheong Seong (Cheong Seong refers to "one's true heart: sincerity; devotion; earnestness") and the Cheon Bok Gung, the World Peace Temple, Mrs. Baek Sun Ja related the following:

I wish to speak a little about Hyung Jin Nim's love for Cheon Bok Gung. One of the things he said when he was inaugurated as the Senior Pastor was that he wanted to make the Unification Movement shine proudly. He observed every corner of the Headquarters Church and planned the decoration for our members. He always encourages the members so we can be proud and confident of being members of the Unification Church. When Hyung Jin Nim received the mission of the 20,000, and then the 210,000 membership foundation, he was very surprised. It was again, through Cheong Seong that he was able to come to bear this responsibility.

He appealed to his three elder brothers, Hyo Jin Nim, Heung Jin Nim and Young Jin Nim without rest before the altar, and received an answer in the end. ...

He said that this Cheon Bok Gung will represent God's glory for generations to come, be praise to True Parents' name, and elevate the Unification Movement. He raised both hands up high, shouted *ag-mansel*, and he was so very happy. The Temple had been blessed as a house to share fortune with all people of the world. ♡

**From Hyo Jin Nim's message January 14, 2008: "Keeping Yourself Motivated"**

☛ This January 2004 photo of Hyo Jin Nim (a detail) comes from this [group](#) at FFWPU Korea.

Here are excerpts from Hyo Jin Nim's words to brothers and sisters gathered for his Sunday Service message [January 14, 2007](#):

**How do you motivate yourself?** Like I said, it's up to you to like being a crusader. For that you have to look at things a little bit differently. Then you can find value in it. It doesn't take much, just a thought sometimes. That's all it takes. You don't need to ask somebody's permission. You don't need someone else's validation if you can find through that—just a small thought alone—that you can give to yourself that even for the moment that you see that light, that you see that little moment of OK.

It doesn't matter if it's just a jolt, or like a caffeine high. It doesn't matter if it is just a little jolt if you can find usage for it. That's something, because that's all it takes to make something great. ...

So if you have something that you want to achieve because you have chosen a life of faith, then make sure that you get good at motivating other people. I know that you don't have a lot of money, so what else can you do then? The other (leading by sacrificial example).

Those things can happen after 2012 because it's going to start all over again from the bottom up. It's a tall order to find a nation by that time. If it doesn't? I know that's going to happen, but it's a different time. We're going to do it the right way, the twenty-first century way, doing twenty-first century communal work. There is a way to do it. We won't have to knock on doors. We'll already be in the living room (through multimedia). ...

It's difficult to find the way. We have problems fundraising, witnessing and maintaining. [W]ill we complete God's nation in just five years? Are you kidding me? I know Father needs... In my mind it will take about ten generations, but he's going to do what he's going to do. ... We will keep on going, right? ♡

Here are three excerpts from a channeled message from Hyo Jin Nim in the Spirit World delivered through an anonymous medium on December 18, 2008 in New Zealand:

I can apologize for not being a man of great love. I can work with the saints of heaven to improve my love. I can improve my character. Yet Father still speaks of me as a son of loyalty and filial piety. Why do some members think that I still need to go through a course of improvement? Do they think that my gruffness and coarse language meant I had a poor spirit? We don't have to get stuck judging each other. If you want to label me a misfit, I'm sorry, but that's not reality. If I am such a misfit, I shouldn't be the Lord who opens the gate.

One thing that gives me hope is to see the result of True Parents' investment. I have been reading his hidden files, and all that I've read, all I've discovered about him, gives me hope. We are not living on a dying planet. We are living on a resurrecting planet. We may not witness the subtleties of resurrection around us, but I can certainly witness them, and I do. They are brought to me as reports, from prayers, and I see them through my personal investment.

... .

**What is the way for you on earth to get to the high realms of heaven?**

It is quality service. Not service—quality service. Sooner or later you have to come into the reality that quality service includes providing love and investing in people.

A lot of people have changed their blood lineage, and they will leave a changed blood lineage behind, but they will be in the bottom of hell until I come and invite them to the gate and ask them to camp with the rest of the squatters who are not really qualified to be there. They are only just in the gate because of change of blood lineage. They are not anywhere deep beyond the gate because their standard of love is very low, and their standard of living for the sake of others is almost negligible.

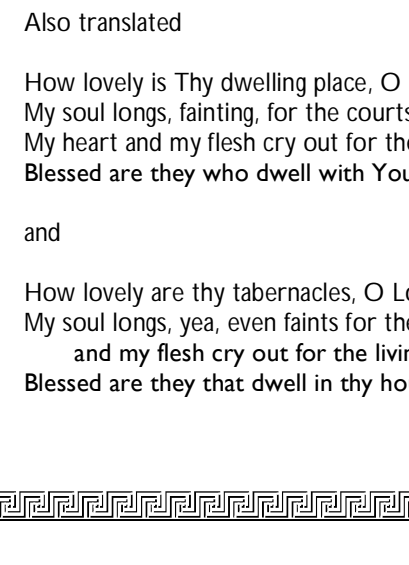

Am I talking about the people who received conditional redemption by holy candy, or about Blessed couples who can't express love to anyone? Both. That's true. I've seen people who had enormous positions of leadership unable to move beyond the squatters who received the Blessing by the holy candy. That's shameful. But when you ask who will stand up for this person to speak for him, everybody turns his back and walks the other way. That leader left behind a love deficit. Can you imagine what I might mean by "love deficit"?

What about those people who arrive with a love profit? They have achieved something incredible within their being as a result of having lived a loving life. In other words, their offering was evaluated as not only pure, not only providing beauty back to True Parents, but also providing love to God. They are the people who constantly comforted God. They are the families that never sought something for themselves but really sought, before anything else, to bring the blessings of God to their community. Those people can go straight to the vistas immediately. They are escorted in the gate and the beautiful drive to the 5-star hotels and the spas.

...

**Father says that I will open the gate. I want to report to you that**

Here is an excerpt from True Father's prayer on [April 18, 2008](#):

Until now, the spiritual world was divided into two, the Cain realm and the Abel realm.

Heung Jin has worked very hard as the main responsible person, united with True Parents. From now on, Hyo Jin as the elder brother will cooperate with Heung Jin and even help the people who are living in the most miserable environment.

Hyo Jin is called

**"The Lord of loyalty, filial piety and the liberation of the whole spiritual world"** in the position of True Parents in the spiritual world.

Through the unity of both (Heung Jin Nim and Hyo Jin Nim) the resurrection of spiritual beings will be easier and quicker. We pray from the bottom of heart, that through them the physical world and the spiritual world will be united in harmony and love, and that the glory of God and the future glory of the True Children will be exposed.

We also pray from the bottom of heart that the period of realization will be much shorter so that God becomes the owner and the King of kings and reigns the whole cosmos directly. ♡

**From True Father's Words on October 12, 2008**

☛ Hyo Jin Nim, March 2005 [image](#).

On [October 12, 2008](#), True Father said:

We must understand the value of the True Family. We must remember that the Israelites had to put the blood of the lamb on their door. You must receive and accomplish this same kind of condition.

The blood of True Parents' son protects you and opens the way to the heavenly fulfillment of our **responsibility**. When Hyo Jin Nim went to the spirit world, I labeled him as the Son of Filial Piety to **open the way to the Garden of Heavens**.

Hyo Jin Nim's sacrifice was a condition to protect the blessed central families. ♡

Here's an Anglicized version of this Korean song and a translation, courtesy of Tahmil Moon:

**Saranghae (I Love You)**  
Saranghae dangin-eul jeongmallo saranghae  
Dangsin-i naegyeot-ul tteonangan dai-ae  
Oelmana numul-eul heullyeolnunji moreunda

Chorus:  
Ye, ye, ye...  
Saranghae dangsin-eul  
Jeongmallo saranghae.

Meolli tteonabarin mot-juil im-yeo  
Dangsin-nae gyeot-eul tteonagan dai-eh  
Bammada geurineun bogo sipun naesarang-ah.

Ye, ye, ye...  
Bammada geurineun bogo sipun naesarang-ah.

**사랑해 (I love you)**

사랑해 당신을 정말로 사랑해  
I love you, so dearly so

당신이 내결을 떠나간 뒤에  
Since you left

얼마나 눈물을 흘렸는지 모르나오  
I've been crying so many tears

예- 예- 예- 사랑해 당신을 정말로 사랑해  
Ye, ye, ye, I love you so, so dearly so

열리 떠나버린 못잊을 임이어  
You are thy love departed- in the distance gone - whom I cannot forget

당신이 내결을 떠나간 뒤에  
Since you left

밤마다 그리는 보고싶은 내사랑아  
You've been the love I keep missing (the face I keep) longing to see.

**"How Lovely Are Thy Tabernacles"**  
The 4th Movement of  
"A German Requiem, to words of the Holy Scriptures"  
by Johannes Brahms

☛ Here's a performance of this song on [video](#) <http://tinyurl.com/dfkaj>

How lovely are Thy tabernacles, Lord Almighty  
My soul longs and yearns for the courts of the Lord.  
My heart and soul rejoices in the living God.  
How lovely are Thy tabernacles, Lord Almighty  
Blessed are,  
blessed are those who reside in Thy house  
They shall praise Thee forever.  
How lovely are Thy tabernacles,  
are Thy tabernacles.

Also translated

How lovely is Thy dwelling place, O Lord of Hosts!  
My soul longs, fainting, for the courts of the Lord!  
My heart and my flesh cry out for the Living God.  
Blessed are they who dwell with You; they will praise you forever.

and

How lovely are thy tabernacles, O Lord of hosts!  
My soul longs, yes, even faints for the courts of the Lord: my heart  
and my flesh cry out for the living God.  
Blessed are they that dwell in thy house: they will always be praising thee.
