After Becoming The Tribal Messiah, You Can Be Registered

Sun Myung Moon

November 23, 2010

East Garden, NY

Unofficial notes: Katsumi Kambashi

Note: These cannot be published as definitive texts and should never be used in the future as an “official” publication on Rev. Moon’s words. However, they do provide a good idea of the “spirit” of the message.

The event this time is to “Proclaim the Establishment of the True Parents of Heaven, Earth, and Humankind, and the Substantial Word of God” and Father emphasized that to clarify the location in the title is important: The Washington/New York Assembly (Nov. 22), The Las Vegas/The Hoover Dam Assembly (Nov. 27), and The Seoul Assembly (Dec. 4).

The following are the basic contents of Rev. Hwang’s report at the meeting:

“For what have True Parents lived? It is clearly stated in the beginning of this speech, and it is for the liberation of God and salvation of humankind. There have been changes in the titles of True Parents in accordance with the progress of the providence: the Messiah (since 1945), True Parents (since 1960), the Settlement of the Parents of Heaven and Earth (1997), the Enthronement as the King (and Queen) of the Blessed Families (2003), the Declaration of the Parents of Heaven, Earth and Humankind (2003), the Enthronement as the King (and Queen) of Peace (2006), the Coronation Ceremony of the King of Kings (2009), and the Establishment of the True Parents of Heaven, Earth and Humankind.

This year, True Parents declared many victories, such as the introduction of the heavenly calendar, inheritance of 8 textbooks and teaching materials, the inheritance of the Seunghwa ceremony, and now the establishment of the Parents of Heaven, Earth, and Humankind. Jesus could not leave God’s words as detailed as True Parents did, and he could not give the Blessing. He could not be finished with the course of indemnity either.

We learned from True Parents many things we had never heard of before, such as praying with our own names, Ahn Shi Il, Family pledges, and so on. What astonishes me is that True Parents have established all this heavenly tradition and taught it to us while we could not even imagine what we should know.

As you know, the title of the speech this time says the ‘Establishment of the True Parents of Heaven, Earth, and Humankind.’ This is the perfection, conclusion and completion of God’s will. After True Parents established God’s coronation on Jan. 13, 2001, it took them 10 years in order to proclaim this victory, and this is the ultimate and final definition of the True Parents.

God Himself cannot do the establishment of the Parents of Heaven, Earth, and Humankind. What does it mean to proclaim this victory? Firstly, it means the completion of the liberation of God. Secondly, as Father states in his speech, Korea is officially God’s homeland. Thirdly, therefore, everybody must be registered in Korea. On 10.8 H.C., Father suddenly said during Hoon Dok Hae that all Blessed families must change their nationalities, and that from that day Korean is the official language. I do not think Father planned such proclamations beforehand. I think he talks as he feels, led by God. Lastly, it means to fully open the way for the liberation of humankind.

Then, how can the salvation of humankind be accomplished? Through the providence of the Tribal Messiahship. Father told us to be Tribal Messiahs in 1957 for the first time, then in the 80’s, and also in 1992, when he declared the hometown providence. Tribe for us means our families and relatives, and the community where we live. We need to give them God’s words and the Blessing, and become the Tribal Messiah like Boon Bong

Wangs. This is the formula for establishing God's Kingdom while attending to the Parents of Heaven, Earth, and Humankind."

After his report, Father said,

"After becoming the Tribal Messiah, you can be registered. If all are registered in Korea, God's will shall be done within a week."

"If you cannot be registered within these three years, (the chance) will be gone."

"In the future, religion will not govern the world. The Union of the Spiritual and Physical Worlds will govern it."

"We have 822 days to go. I must organize everything before I go."
