Entering The Era of The Authority of God's Direct Dominion

[Father asked all Korean leaders who were present to stand up.]

You should be connected to the Ocean workshop in Korea. I read my speech three times before Hoon Dok Hae this morning. On page 51 there is the statement and proclamation that was made at 3:25 am. Korea has a history of 9,000 or 10,000 years. You westerners do not know the depth of Korean history. Westerners are proud of their history, and yet it is very short. America shouldn't boast about its nation. It has so much promiscuity and legally allows immoral sexual behavior.

Who is Satan? What is the name of the Archangel? Lucifer. He was like the Elder Brother of Adam and Eve. Who is the owner who created him? The Father of Lucifer and the Father of Adam and Eve was the same. Where did Lucifer come from? He was created by God. He was created by God as someone who was to raise Adam and Eve.

From the Speech:

The number 3 from 3:25 AM represents the three eras from the saying "Success comes at the third attempt." It also symbolizes the Old, New and Completed Testament ages. Twenty-five minutes, or the number 25, is a quarter of one hundred. The True Parents have achieved ultimate unity and offered and proclaimed the era of [God's] full transcendence, full immanence, full authority and omnipotence upon the standard of perfection, completion and conclusion.

The Fall came about, and since then, women have dominated men and been on top. The proper order was destroyed. This all has to be restored.

The God of the Night and the God of the Day

People talk about white supremacy, and yet President Obama was elected. People should not ignore this president. His name is Ohhhh Bama. That means you have to look at him again and again. With Obama coming we find out that white and black are different. What is black has come on top of white. If the President (of the USA) listens to me now, then everything will be finished. The sphere which resembles a soccer ball represents a sphere of upper, middle and lower. Because of the fall of women, what was to be left became right. Left and right. Everything was reversed. There is a Korean saying included in this speech, which means that what is not fulfilled the first time will succeed on the third attempt.

Who is the most famous President (of the USA)? Washington and Lincoln didn't know about this principle. Who is the President that made the Hoover Dam? (Roosevelt) How many terms did he serve? Mr. Kamiyama — do

you recognize me (for who I am)? Mr. Furuta, do you recognize me (for who I am)? You just quit True World [True World Foods]. Whose company is that? You just quit? What about the boats? Who told you to stop building boats? Who is the director of True World? True Parents are. If you don't make boats, then you must catch fish. We must abolish all the border lines and boundaries.

We are now entering the era of the authority of God's direct dominion. Jesus was crucified on the cross. I was persecuted and suffered due to the principle of indemnity. In this way all the border lines of the world will be abolished. If this happens, I won't have to give you lectures. When I was walking, I took the right step first. When I took the right foot first, my left foot would be drawn backward. It was so difficult. I would make progress and be set back.

Once again, I offer you my heartfelt thanks for your gracing this occasion with your presence and celebrating this providential event. I pray that you will live in good health and in the abundance of God's love. It is my hope that we can offer greater glory and honor to God the next time we meet.

I pray that the blessings of God, the king of kings, will be upon you, your family and your nation.

I am the one who will pray. I don't want to be indebted to you. I will set the condition. I want all of America to come along with me to Heaven. There cannot be separation between husband and wife. Open your arms and then embrace and unify everything. Eve tried to dominate Adam. That was arrogance. That has to be restored.

The True Parents have achieved ultimate unity and offered and proclaimed the era of [God's] full transcendence, full immanence, full authority and omnipotence upon the standard of perfection, completion and conclusion.

Furthermore, with the Seunghwa Ceremony for former United States secretary of state General Alexander Haig, I proclaimed that the ceremony for the victory of the first, second, and third Israels, which completed the ceremony for rebirth, resurrection and Seunghwa during my lifetime, was transferred to Korea.

Through the Seunghwa ceremony, rebirth, resurrection and Seunghwa were created. Only True Parents can give the Seunghwa grace and celebration for your life in the spirit world. If there is high noon settlement — there will be no shadow. I am trying to do this for all the Presidents and ancestors of America. People may not understand and may talk about it badly but they don't know. Rev. (Yong Seok) Song (Chairman of Japan Movement) — unless you are ready to die, Japan will become extinct. Will you quit? You told me that you didn't want to go to Japan. What will you do? [Rev. Song responded, "You are right, Father."] If Japan perishes, many will perish. Rev. Yu — do you think you were expelled from Japan to Hawaii? The workshops you are holding at Su Taeng Ri are very significant and historic. For many decades I have been going there. Why? In front of Su Taeng Ri there is a river where dirty water is flowing. There is filthy water there flowing. You can smell the difficulty — but through Su Taeng Ri we are purifying it. Dr. Yang — did you guide things correctly? You will not last a long time, if you are not doing things right. You are strongly for America and even tell Father how to relate with America.

Kajikuri (President of Japanese Unification Church) means branches — if the branches don't go in the right direction, they are bound to die. Among Rev. Yu and the Japanese Government, which would remain in a fight? — The government would lose. We will see that the American Congress will take this (issue of kidnapping and confinement) on. Saigo Takemuri (the last Samurai under Meiji) had Korean blood. Who is higher, the emperor or True Parents? This is the time of judgment. No one can escape. Yesterday, Rev. Song from Japan spoke with much courage.

You need to follow me well. You need to organize women. Women destroyed the man on 8 stages. In the Korean language there are 8 pairs of Korean vows.

In the center of the sun the temperature rises to 10 million degrees, and I'm able to go in that center and not be burned up. If people have a bad spiritual smell — even their bones will burn and they will become ashes. Only True Love remains.

OK Means "Open the Kingdom"

The Korean record of ancestry is far greater than the American.

We held a Seunghwa for Former U.S. Secretary of State Alexander Haig. Once this period of time with True Parents passes, it will never come again. I searched for the secrets of the Bible, and then help came from Heaven and guided me. I had to go to the bottom of Hell and find solutions there. OK means "Open the Kingdom." Americans like the kitchen so it means "Open the Kitchen," and it also means "Open Korea". What do we say in boxing? KO! But it is really K X because you are knocked out. You must be able to stand on top of the O as your foundation.

(White) Americans have the tendency to think they can do anything. Now, however, we have a black president. His name says that he went to the highest position and can see that white supremacy and black supremacy is wrong. The word "Spain" means they are half-Western. People don't know when the second coming will be. The Vatican received revelation about the second coming but didn't reveal it.

I have to fulfill, in order for God to be liberated. You may think that it's OK to do 10 percent of your responsibility. In America there is homosexuality, free sex and incest. There are grandmothers having sex with their sons and grandsons, Fathers with daughters. This cannot be tolerated whatsoever. Therefore it is the last days. You must understand the preciousness of this speech.

This proclamation must be done, no matter what. Col. Han, was your company taken away? Who put Hyun Jin Nim in charge of America and the companies? Chung Hwan Kwak. My great-grandson was born and they took him away. I want to see him. How can anyone follow someone like that? Anyone who follows someone like that should not be able to have children anymore. How could they make such a decision? Do you understand that it was wrong?

How about fishing? If you catch one fish, then you should catch two tomorrow. Furuta — you caught a big fish and therefore you feel very good, right? You really appreciated that catch [Mr. Furuta responded, "Thank you Father."] If you are (too) proud of yourself, Satan will attack you.

Through this proclamation ceremony, all the borderlines in the entire cosmos have been abolished. Consequently, centering on the autonomous God, heaven and earth shall exist eternally, night and day, under God's reign and with the support of the True Parents of Heaven, Earth and Humankind.

Distinguished guests, at this serious and important time, a revolutionary and cosmic change must now take place in your lives. Let us summarize the message Heaven has given to us today in light of this.

First, all blessed families should first attend God at the center of their families and every day carry out Hoon Dok education, which can completely unite parents and children. In other words, you should thoroughly teach the Divine Principle, the textbook and teaching material True Parents have bequeathed, True Father's autobiography, and absolute sexual ethics taught through the Original Divine Principle.

Second, Heaven has permitted the grace of the realm of Seunghwa for rebirth and resurrection to be bestowed on the family unit. Here, a requisite condition is the complete unity between parents and children. In other words, you must establish the standard for absolute parents and absolute children, and establish an absolute family.

Third, humankind has moved out of the realm of the era of restoration through indemnity, thanks to the grace of True Parents who have suffered hardships through which they sweat blood. Therefore, do not forget the fact that during True Parents' lifetimes, we all have the responsibility to liberate families, tribes, peoples, nations and the world from the realm of hell. Now that the era of restoration through indemnity has ended, what kind of era is dawning? The reign of tranquility and prosperity in the victorious realm centered on God and True Parents shall be eternal.

Fourth, we are now entering the era of God's direct dominion. Ladies and gentlemen, I have said that less than three years remain until the D-day proclaimed by Heaven. I beg that you inscribe in your hearts the fact that we have entered the era of the realm of the cosmic Sabbath in which your family members in the spirit world shall return to the earth to receive Original Divine Principle education, and where eight generations will live together and share together in a single family. Aju!

Once again, I offer you my heartfelt thanks for your gracing this occasion with your presence and celebrating this providential event. I pray that you will live in good health and in the abundance of God's love. It is my hope that we can offer greater glory and honor to God the next time we meet.

I pray that the blessings of God, the king of kings, will be upon you, your family and your nation. Thank you very much.
