“If you read (Father’s speech at the proclamation assembly), you will be changed. I myself prepared this speech, but the more I read it, the more I feel it deeply.”

“What one knows is not everything. What one has done is not everything.”

“I am the only specialist of the spirit world. Nobody else knows it. You do not know where the Unification church goes.”

Ms. McDevitt read Father’s speech from his speech book #15, titled “How do we have to walk the path of the restoration?” She read,

“Satan invades first and loses later, but Heaven receives the attack first and restores later.”

“You should not have ambition centering on your desire. If so, even if you accomplished your goal, it will not last for long.”

Father said,

“What I revealed the most recently was that Lucifer was a cousin of Adam and Eve. They are from the same Father.”

“In God, there is no concept of ‘enemy.’”

“Not the Invisible God, but only True Parents can leave the lineage and give the Blessing.”

“Through the proclamation assembly, I united four Entities together. Did you know that?” (Then Father read ‘True Parents’ Special Instructions’ from his speech.)

“The 14th, 15th and 16th day of the 10th month, by the heavenly calendar, in the 10th year of Cheon Il Guk means the Old Testament Age, New Testament Age, and the Completed Testament Age respectively.”

“How much do you know about True Parents? (Then Father made his eyes smaller) When I see you like this, some in front are gone and others in the back come to be seated in front.”

(Katsumi: he sometimes says those who are close to Father in heart come to the front spiritually in his eyes even they are seated in the back, and to the contrary anyone who is not close to him in heart goes back in his eyes even if they are in the front row.)
