The World Assembly 2010 at the Manhattan Center

Unofficial notes: Katsumi Kambashi

Note: These notes are taken from a script from the web site of Unificationism Korea. These cannot be published as definitive texts and should never be used in the future as an “official” publication on Rev. Moon’s words. However, they do provide a good idea of the “spirit” of the message.

Please read Father’s previous speech at:

The following are added contents by Father which are new but not included on his speech booklet yet. These words were read by Mrs. McDevitt the morning before the assembly. The detailed contents will be obtained later.

Centering on Rev. Seon Jo Hwang (the president of UPF Korea, the Tribal Messiah Federation for World Peace, and the Union of the Spiritual and Physical Worlds), the Blessed families must become the Tribal Messiahs. The Seunghwa ceremony and Blessing ceremony must be completed in the 1st, 2nd and 3rd Israel respectively by the end of this year. The Blessing ceremony does not merely mean having a holy wine ceremony. The Three Day ceremony and Indemnity stick ceremony must be completed, which is the original standard of the Blessing. Also, by D-Day, (1.13 H.C. of the 4th year / Feb. 22, 2013) Boon Bong Wangs and Ambassadors for Peace must work together in order to give the grace of the Blessing to the people in the whole world.

After the Blessing on a national level, all the internal leaders (Boon Bong Wangs) as well as external leaders (president, prime ministers, congress person, and parliament members) must be united centering on True Parents.

The assembly is providentially important since it starts to take place on Nov. 22 (10.17 H.C.), which is the day right after the Three Day period (10.14, 10.15, 10.16 H.C.) centering on 10.14 H.C. in 2010, which is the 60th anniversary of Father’s liberation from Hungnam North Korean labor camp. Especially through these three assemblies, the proclamation of True Parents must reach perfection, conclusion and completion. It is proclaimed that Korea, which is where True Parents were born, became God’s homeland. These assemblies have the internal meaning that all the leaders of G-20 and other countries should join the assemblies and attend to victorious True Parents.

The prime minister and government officials of Solomon Islands came to visit True Parents and promised to study Father’s teachings, and in Nepal, the lectures of Original Divine Principle are taught through government broadcasts. The WFWP, as an NGO recognized by the UN, has now high esteem due to its activities in the world. The Washington Times, which had problems caused by communist-like people, came back to True Parents.
