Sun Myung Moon

November 29, 2010

Unofficial Notes: Katsumi Kambashi

Note: These notes are taken from a script from the web site of Unificationism Korea. These cannot be published as definitive texts and should never be used in the future as an "official" publication on Rev. Moon's words. However, they do provide a good idea of the "spirit" of the message. Rev. Katsumi Kambashi

The following is information about True Parents from 10.22. H.C. (Nov. 27, 2010) to 10.24 H.C. (Nov. 29, 2010), which was reported by Rev. Dong Mo Shin, the continental director of South America.

10. 22 H.C. (Nov. 27, 2010)

The three assemblies this time (New York, Las Vegas, and Seoul) are for the "proclamation on a universal level to perfect, complete and conclude the providence." In the speech, Father gives not only the same contents which were given at the previous assemblies (Korea and New York in July, and Jerusalem in August this year), but also special directions that tell us which way we and the rest of humankind are supposed to go. Father especially emphasized that we need to be finished with giving the Blessing to all people in Korea and the world, which includes the holy wine ceremony, the three day ceremony, and the indemnity stick ceremony.

At Hoon dok hae that day, Father named the hospital, which is now under construction in Brazil, as "Il Shim Hospital.

10. 23 H.C. (Nov. 28, 2010)

That day, Hoon Dok Hae was held at True Parents' hotel room gathered by about 20 leaders. Rev. Yang made a report on the event the night before and one by one introduced to True Parents American leaders that made great contributions to the event. Father said it was a victorious assembly that heaven and earth could rejoice with, and he gave presents one by one to those leaders.

Rev. Sun Jo Hwang then made a report on the reflections of Korean Ambassadors for Peace who had participated at the event, and he also reported on his activities on how the Seunghwa festival and the Tribal Messiah's Federation for World Peace in Korea had been developing. In his report, he emphasized Father's life was for the liberation of God and salvation of humankind, and also described True Parents' difficult course in the past 10 years (2001 — 2010) until they could proclaim the era of the True Parents of Heaven, Earth and Humankind.

He said the firm establishment of the True Parents of Heaven, Earth, and Humankind brought unity for the God of nighttime, the God of daytime, the King of Kings, and True Parents. Finally he said the assembly in Korea was originally planned to be held at a huge facility but Father had told him to have it at the Cheon Bok Gung, which he emphasized is greatly meaningful.

Then Mr. Dong Moon Joo reported how the Washington Times was returned to True Parents. Father gave him directions that the Washington Times shall make a sisterhood relationship with the newspapers in the world.

Finally Father emphasized the assemblies that he has been conducting were not his own idea but sober directions from Heaven and that's why Heaven was with us for the victorious events this time.

That day, the first fishing tournament of the Hoover Dam (Mead Lake) took place.

10. 24 H.C. (Nov. 29, 2010)

That day, Hoon Dok Hae was held at the Cheon Hwa Gung, joined by around 20 leaders. Rev. Yang read Father's speech from speech book #14.

Father said, "All the Blessed couples must not forget that they have a revolutionary task from now on. It is the time when a new revolution occurs because of the victorious establishment of the True Parents of Heaven, Earth, and Humankind." Father also said, "You have to understand the scary time has come when Heaven directly removes those who go against God's will. Every time I see the leaders of our movement, I ask myself who will remain among them."

Father emphasized the names and order of the assemblies are important, which are Washington — New York Assembly, The Hoover Dam — Las Vegas Assembly, and Seoul — Korea Assembly.

Father also said what is precious with the Unification Church is our heart that always wants to follow True Parents. Father also said, though each has their own responsibility, it is precious and important to be united with True Parents in the providence.

After Father heard the report on the activities in Nepal (24 lectures of the Original Divine Principle have been broadcast for 12 days and due to the requests of many viewers they re-ran the programs in the evenings), he emphasized the importance of utilizing media to promote our activities.

Father assigned Dr. Dae O Son as the vice president of Sun Moon University, and took pictures with him and all other participants.

Mr. No Hee Park made a report on the Little Angels' performance in Japan, and Father said the power of art is stronger than that of war.

Father officially announced that True God's Day and True Parents' birthday in 2011 would be celebrated together according to the heavenly calendar.

Regarding recent conflicts in the Korean peninsula, Father said peace in the peninsula cannot be achieved only through human efforts by Korea, North Korea, China, Russia, USA, and Japan, and it would be possible by practicing Father's teachings and with Heavenly fortune. Father said he would be back to Korea three days before the final assembly that would take place at the Cheon Jeong Gung.
