Unofficial Notes: Katsumi Kambashi

Note: These notes are taken from a Peace TV video clip. They cannot be published as definitive texts and should never be used in the future as an “official” publication of True Father’s words. However, they do provide a good idea of the “spirit” of the message. Rev. Katsumi Kambashi

Mrs. Yang read the report on the Proclamation Assembly held at the Cheon Bok Gung on 10.29 H.C. (Dec. 4). In the report, she read that ambassadors for peace and church members had realized how this assembly in Korea was important when they had heard it was prolonged for 4-day assembly from Dec. 4 to the 7. The following are some of Father’s words after the reading.

“The completion of one’s spirit self is possible only after receiving the Blessing. Without correcting the blood lineage, the kingdom of heaven cannot occur.”

“Jesus died before becoming the Tribal Messiah, and you must indemnify it.”

“Nobody knows why the mind and body are fighting against each other. Its fight started due to the human fall.”

(There are about 80 Japanese sisters and 40 Korean sisters at the meeting)

“You are not Korean nor Japanese. Originally your lineage was the same, which came from Mongolia and that’s why all of you have the Mongolian birthmark. All of these marks were gone when you were 7, 8 years old.”

Later Mrs. Yang read Father’s speech given at the Tokyo Church, Japan, on Jan. 28, 1968, titled “Unification Flag.”
