112 Japanese members joined the meeting that day.

“There are 27,000 islands in the Pacific ocean and in order for them to be connected to the continent, they must be connected to the Korean peninsula first.”

“84% of humankind is related to Mongolians.”

“One mysterious thing is that animals, which had a good lineage, came to the area where my house (in North Korea) was, and raised their offspring. When I commuted to Osan public school and Jeong Joo public school, I took the short cut where tigers and wolves were. When I went there at night, I could meet deer and bears too. I trained a leopard through the spirit world. When I whistled, a tiger which hid in my path appeared with joy and led my way together with its partner and offspring. Then they waited for me after having found a clearing that was good for me to take a rest in.

“Rev. Song (from Japan), Rev. Yu (ODP lecture) together with Rev. Park (Las Vegas regional leader) sang songs.

Then Yeon Ah Nim and Hyung Jin Nim sang \_\_\_\_ and “If I can dream” respectively.

True Parents sang.

“Finally all together sang the happy birthday song for Sun Jin Nim.
