Note: These notes are taken from a Peace TV video clip. They cannot be published as definitive texts and should never be used in the future as an “official” publication of True Father’s words. However, they do provide a good idea of the “spirit” of the message. — Rev. Katsumi Kambashi

“Since we are entering the era where True Parents can reach the perfection and completion restoring the failure of Adam and Eve, please understand that new life and new foundation of resurrection will appear in the cosmos, and those who believe and protect it will receive heavenly grace on familial level. In the future all diseases caused by the fall will disappear.

I used for myself the electric healing device that I invented (which is Happy Health Machine) everyday for the past months and saw the outcome by myself. Everybody need to use this too, like (True) Mother, and those who believe the power of this and grace of Heaven, can let all diseases go from their family.

The time is coming when Heaven would protect even Lucifer, a monster, who brought countless people to hell through all kinds of diseases, and there will be no paradise nor heaven. Original creator of mind and body has passed the level of the warning of not to eat of the fruits of the tree of good and evil. You are now living in such era and so I hope you live your single-minded life with my words so that you can directly experience and understand what is realized in this speech. Your mind and body would be able to go to and come back from the level of the number 13, and you should make your family humble enough to receive such grace.”

“Hoon Dok Hae here is realized under one direction where the God of Night, the God of Day and True Parents are one, and so you should be with the same direction after the meeting too. Hyoyul! do you know that? (‘Yes.’) You need to teach that to all members. When you pray in the morning by yourself in the harmony of heaven and earth, there is the spot one meter and 40 cm in front of you and you should offer bow together with,,,,,. The spirit world is watching you and so if you offer Jung Sung such way for three months, your mind is settled.”

“What I said in this speech is not a lie, and if each of you actually feel that, the world unification would be able to be realized even less than three months. You need to feel that you can transfer yourself to the original world, an amazing world beyond imagination, after receiving the Blessing together with (True) parents. The Royal seal of parents has been made, and if you pray for yourself to be united with my words every morning with the photo of the seal, Satan will be completely kicked out.”

“To come to Hoon Dok Hae every morning, I start to be ready from 11:00 p.m. the night before.”

“Those who are pregnant need to obtain the direction from the spirit world on how to name their baby, and have to offer Jung Sung from the moment of conception.”

“I am scared with this speech in this file. Please lead a life leaving behind all satanic customs. You know (Utmost Jung Sung moves Heaven).”

“How many days are left before D-Day? (‘455 days.’)”

“Mother asked me to postpone (to go to Las Vegas?) for 20 days, and today I should be in Las Vegas.”

“From now on, when you come here, you should bring one person with you.”

“To become an Unification member and be on the list of God’s sons and daughters, you should unify your mind and body. You should resemble (True Parents).

“You should ask your mind and do as it directs you.”
