Note: These notes are taken from a Peace TV video clip. They cannot be published as definitive texts and should never be used in the future as an “official” publication of True Father’s words. However, they do provide a good idea of the “spirit” of the message. Rev. Katsumi Kambashi

Father spoke and made comments while reading his latest speech.

“By centering on what have I been able to survive as of now? It is the principle. It is the principle of God’s creation. In this chaotic world, I have been able to survive with the principle, which does never change. Anybody would be able to become Principle Incarnate, and they would be identical, not different persons, to my eyes. I can enjoy seeing them tirelessly even if I were to do so for thousands of years.”

“The principle and the non-principle cannot coexist.”

“When I was 12 years old, I was the one who my parents and grandparents were scared of most.”

“If I cannot frame everything by the age of 104, I know I will be called a failure. I am thinking of be finished with everything by the age of 104.”

“(Cain-type) Bun Bong Wangs are like children of the archangel, not those of Adam and Eve.”

“Hoon Mo Nim testified on the Day of All True Things that Hyo Jin and Shin Gil (Hyo Jin Nim’s first son who is in the spirit world) were working with her. The time has come when there is no boundary between the spirit world and the physical world.”

“One can never produce their offspring in the spirit world. By connecting those who have been singles in the spirit world to True Parents in blood, they can be family members of the people of thousands years later. It is possible. For example, the age difference of Mrs. Hyeon Shil Kang and her husband is 1,400 years. The time has come when those who are single in the spirit world can be the ancestors too by receiving the Blessing with earthly persons and adopting children. Centering on the principle, one can be a couple with a person thousands years later, and this principle is eternal. Heung Tae (Korean National Messiah in Brazil)! Has your elder brother (who is in the spirit world) been Blessed? (Yes) You can do it for them on earth. How wonderful it is! They will attend you as their ancestors.”
