Note: These notes are taken from a Peace TV video clip. They cannot be published as definitive texts and should never be used in the future as an “official” publication of True Father’s words. However, they do provide a good idea of the “spirit” of the message. Rev. Katsumi Kambashi

Mrs. McDevitt read Father’s speech titled “Let’s Love Heaven” from his speech book # 22.

“At the time of Noah, only the fish were not judged.”

Rev. Yang’s report:

“The Las Vegas providence started at the end of March, 2008 and so it has been 3 years and one month. From tomorrow for eight weeks, we will have the announcement of Father’s autobiography on the billboard in the east, west, south and north in the busiest area of the 15th street. So far we have distributed 65,000 copies in the city and 1,000 copies are being delivered every day. By seeing people’s responses, I can say one copy becomes a living missionary. In the billboard, there is a photo of Father’s autobiography, and it says “International best seller,” and “ThePeaceKing.com.”
