Dear Family,

The following is the information from Hyung Jin Nim's twitter posted on the web page Unificationism. Katsumi Kambashi

Commemorating the 20th anniversary of True Parents' visiting North Korea, the "Ceremony for the Proclamation of Peace Week 2011" was held at Sun Moon University on 9.26 by the H.C. (Oct. 22, 2011). Father had strained his ligament and is now temporarily using a wheelchair, however he came to hold the ceremony with ambassadors for peace that day.

"I am grateful to be able to use the wheelchair, which didn't exist when I was a boy, and couldn't try it then," said Father.

Prior to reading his speech "Proclamation for the Settlement of the True Parents of Heaven, Earth and Humankind and the Substantial Word of God," he said 'This 'Substantial Word of God' is the diary of my whole life.' He read and spoke at the podium standing for more than three hours and half despite of his difficult physical situation, and all the participants were moved by his enthusiasm towards world peace.
