Falling down seven times and standing up eight times

Sun Myung Moon  
September 4, 2011

True Parents had a special feast at the Cheon Jeong Gung for four days from 8.4 to 8.7 by the heavenly calendar (September 1 to 4, 2011) inviting leaders of our organizations in Korea.

Father held Hoon Dok Hae and then had lunch together with the participants at the Cheon Jeong Roo, where he emphasized his course of "Falling down seven times and standing up eight times," True Parents' holy wedding ceremony on their birthday in 2012, and the importance of Foundation Day in 2013. Father said we Blessed families also must receive the Blessing again together with our tribes.

Father gave the direction that all the Blessed families and Unification Church members need to know what Father said during that period, and Peace TV made a video clip covering Father's important messages given those days. I believe English and Japanese video clips will be provided too in the near future.

During Hoon Dok Hae at the Cheon Jeong Gung on 8.11 by the H.C. (September 8, 2011), participants watched that video clip, titled "Father's Message regarding the Sphere of the Resonance of Heaven and Earth and the Holy Wedding Ceremony of True Parent"
