That day, 110 Japanese members from the Fukushima and Miyagi regions in Japan joined Hoon Dok Hae again, and Rev. Yang read Father’s speech from his speech book # 25.

“You would say ‘It is not truth that came from the truth body. Before the truth body appears, there was the truth.’ But God exists and the truth is his object and so He did not need it.”

Father called Hyung Jin Nim to come to him. Father hold Hyung Jin Nim’s fingers and bent them up towards upside of Hyung Jin Nim’s arm, showing how Hyung Jin Nim’s body is flexible. Then Father said,

“His fingers can touch his arm. When I was young, I could do that. I also could touch my chest and nose with my tongue.”

Father partially read his latest speech mentioning the page numbers of his speech file.

True Parents sang Korean folk songs and were joined by the participants, which concluded the meeting that day.
