Note: These notes are taken from a Peace TV video clip. They cannot be published as definitive texts and should never be used in the future as an “official” publication of True Father’s words. However, they do provide a good idea of the “spirit” of the message. Rev. Katsumi Kambashi

“How can I be determined to go the path of restoration? It is because God has been leading me and that’s why I could go it.”

“I have been consistent with my determination I came to have when I was a teen.”

With the presence of True Parents, Dr. Peter Kim read True Parents’ declaration they made on May 25, 2011. He concluded his reading saying, “True Parents signed this document and under the name of Hyung Jin Nim, this was announced yesterday.” Then Father said,

“One cannot be the center of the motive and purpose of God’s will. Any fight cannot be profitable and so I have been patient in order to make results of good will, which the whole world knows. They made their own foundation but they cannot go with their second plan. They must feel shameful now, and those who belong to that family will never leave this problem when they know my declaration. They will be united and get rid of the problem without our involvement.”
