There were only several participants at the meeting and Rev. Yang read Father's speech, which was titled "We Must Be Reborn Through True Parents."

After the reading, Father urged Rev. Yoo and Rev. Yang to make boats as soon as possible.

Mother told Hyung Him Nim to bring his dog, and he brought it to Father. While Father was petting it on his knees, Mother told Hyung Jin Nim to talk about his dog, who died recently, that he had from East Garden.

Hyung Jin Nim said, "The dog lived long 13 or 14 years. While I was in Korea for one month, I think my dog was prepared to die, but it waited for me to come back. Right after I arrived (at the East Garden), the dog came to me to smell my face and died right there. I helped the dog to take a last breath. It waited for me, the owner, to come back, and died."

Later Mother talked about how many mosquitoes there are at fishing spots in Alaska, and Rev. Yang said in the Hoover Dam area there are big mosquitoes so only Unificationists do night fishing there.
