“I cannot teach anybody my difficult path and I have gone through it secretly. You do not know my life and I do not explain everything about it. It would be better not to know it. Do the leaders in a nation say everything about their situation? They cannot dream of leading a happy life.”

“When you see the rising of the sun, you must be able to feel, ‘It wants to give me something new,’ and when you see the sunset, you must be able to feel ‘It wants to give me a good night’s sleep.’”

“Those who experienced (the difficult path) but forget (it) are scary persons. God is also scary but He will tell us everything in the end.”

“Are my eyes are small or big? (Small). When I was a child, people called me the ‘Small-eyed child of Osan.’”
