Note: These notes are taken from a video clip of the web page Peace TV. This translation cannot be published as definitive texts and should never be used in the future as an “official” publication of True Father’s words. However, they do provide a good idea of the “spirit” of the message. — Rev. Katsumi Kambashi

“You don’t know that this speech Cosmic Assembly for the Settlement of the True Parents of Heaven, Earth and Humankind and the Proclamation of the Substantial Word of God came out after I, as the center, have established the realm in which full resonance in heart can occur at the same time in east, west, north and south in heaven and earth. The title of this speech means everything has been done.”

(Opening page 74 of his speech file) “Page 74 contains everything. You do not know what it says here. (Katsumi: the speech file the participants at ODP receive has 73 pages and Father recently added one more page to that.) The first thing is Perfection, Completion, and Conclusion. These are the ultimate purpose of God’s providence. Then it says ‘Eog Mansei,’ which has the same value to it (which is ‘Perfection, Completion, and Conclusion). Then it says Conclusion of the Reign of Tranquility and Prosperity. You do not know what Reign of Tranquility and Prosperity means. Hyung Jin said True Parents Eog Mansei. But where do True Parents remain? In the air? It should be In the Reign of Tranquility and Prosperity, True Parents Eog Mansei.

“Do you know that you can’t see God even when you go to the spirit world? In this world, there is no specialist of the spirit world except for grandfather (Father) who is here.”(Reading his calligraphy on the wall) “The settlement of the True Parents of Heaven, Earth and Humankind.” This is the conclusion. Then it says Proclamation of the Substantial Word of God. This means I am the only person who can explain the significance of the words.”

“When I became 17 years old in February, in Easter (Katsumi: Father mentioned both but it is not clear if there were two occasions), Jesus appeared to me saying ‘The time has come. Therefore be my substitute and successor. Will you do what I said?’ I said ‘Hey you ghost, who are you?’ Why (did I respond such way)? I knew the God of Night and the God of Day had been separate, and I didn’t understand why the third party (who is Jesus) came to me and gave me directions. He did not know I had been through that difficult issue I had to solve. I said to him, ‘Who do you think I am?’ Before I asked that, I said, ‘Do you know where I came from? I know the God of Night and the God of Day have been separate and there were the fallen parents. Who are you? You are the third person (after the God of Night and the God of Day) and so I must examine who you are. Do you know there are the God of Night and the God of Day?’ He said, ‘Why do you ask me such a thing?’ I said, ‘Who knows the answer?’ Jesus said, ‘I do not know what your question means.’”

“Do you think God had His parents?

“Shin Jun Nim came to Father for greeting and kissed his cheek. Father asked him to kiss him again on his lips. Shin Jun Nim, after a pause, did so. (Laughter) “He is the most scary person for me. When he comes to me, I must be finished (with the meeting)”.
