Note: These notes are taken from a Peace TV video clip. They cannot be published as definitive texts and should never be used in the future as an “official” publication of True Father’s words. However, they do provide a good idea of the “spirit” of the message. — Rev. Katsumi Kambashi

After a bow and family pledge, Hyung Jin Nim and with Yeon Ah Nim offered prayer. Yeon Ah Nim read Father’s speech. Then Rev. Song from Japan made a report on how they are planning to invite True Parents to Japan. The following are some of Father’s words.

(Reading page 5 and 6 in his speech file) “I knew these things when I was five years old. When I was nine years old, (then Father read page 9) I knew the spirit-self at that age.”

(Reading page 10) “This has not been realized yet.”

“You should resemble True Parents in tradition and blood lineage. For that sake, you need to unite your mind and body, and then on the base of absolute sexual morality, form a family having children.”

A Korean female member sang.

“When I listen to people talking, I immediately know if they are wrong. But I don’t say that, and instead I say I will teach something more important.”

A Japanese-Korean couple sang.

Father told the wife “Do not treat your husband as you wish. You do not know who he will become. In place of his mother, if you love her, he has character to become a wonderful person.” (Husband was shedding tears. She said ‘I love him.’) “What did you say?” (‘I will love him.’) “You have not loved him enough yet.”

Then Father talked about the importance of love and unity in family.

True Mother sang and True Parents sang.
