Note: These notes are taken from a Peace TV video clip. They cannot be published as definitive texts and should never be used in the future as an “official” publication of True Father’s words. However, they do provide a good idea of the “spirit” of the message. Rev. Katsumi Kambashi

He read his speech and made comments on this.

“I still do not have a cornerstone on earth where I can stand. Since I know the principle, I put the spirit world under my control providing my cornerstone. How? By the power of the principle.”

“I was put in jail 6 times, but actually it would have been many more if I had not inspired and sent back those who came to arrest me. I am not a person that is caught to be put in jail, but I could not help but being in jail in order to go beyond the national level.”

“Shin Jun (Hyung Jin Nim’ son) calls True Mother as King (Queen) Mother and calls me as King Father. He made those words.”

He read a sub-heading “Establishment of the Seunghwa Ceremony of the New World, and the New Tribal Messiah Global Federation for Peace in the New World”

“There is no better game than the Yute game. Do you know that?”
