After a bow and reciting the Family Pledge, Rev. Hyung Jin Moon prayed. Then Mrs. Hyeon Shil Yang read Father speech titled “Let’s Hold Tomorrow” from his speech book #32.

Later Hyung Jin Nim, True Mother, and True Parents sang songs. Father said, “Yeon Ah (Hyung Jin Nim’s wife) had never even dreamed of her being Blessed with my son.” She sang “Im Jin River” in Korean and Japanese. After her song, Father, interpreting the lyrics of the song, said,

“What one desires, even if it takes time, will be realized without fail, even hundreds and thousands years later. My dream will never disappear, and I have not been just dreaming. I have lived substantively with joy towards the dream, and so True Parents will be the center of the solar system and love and the fountain of life for millions of years. Aju!”

Then Mother said, “Im Jin River has never been frozen so far because of (True Father’s) prayer. (Katsumi: She said this on the presumption that frozen Im Jin River is a threat to South Korea which would give the North Korean army a chance to invade South Korean territory.) Then Father said with smile,

“It is because your heart has not been frozen.” Then he asked her to sing “My Hometown.”

The meeting was held in a relaxed atmosphere from the beginning to the end. After the meeting True Parents left for Mt. Seol Ak.
