Unofficial notes:

Note: These notes are taken from a Peace TV video clip. They cannot be published as definitive texts and should never be used in the future as an "official" publication of True Father's words. However, they do provide a good idea of the "spirit" of the message. Rev. Katsumi Kambashi

When True Parents came in the room for Hoon Dok Hae that day, they noticed 7 pieces of striped bass laid on the coffee table which Father had caught at Lake Mead of the Hoover Dam. Father was very happy when he saw them, and he clapped his hands with a smile while all the participants joined him. Right after he was seated while all participants were standing he said, "You need to know the day to celebrate when True Parents are safely settled." Then Father asked the date of that day by the heavenly calendar and the participants said it was the last day of the 11th month of the year. Father whistled and said, "We have one month to go before 2011," and then put his hands together towards to the fish and said, "How grateful!"

Before Rev. Chang Shik began reading Father's speech, he said the speech was given on Jan. 1, 1966, titled "Victorious Owner." Then Father said, "6 plus 6 makes 12 and today we are just before the 12th month of the year. Wow.

As I said today, it is the time to establish God's throne at the top of the Grand Canyon. People say how the Grand Canyon is great but there has been no owner who can love it. I must originally proclaim the establishment of the Abel UN and the new start of Korea around the 15th day of the first month by the heavenly calendar.

Even though Korea, the US, Russia, China and Japan opposed me, I must successfully go through this critical moment by myself. I am going there on the 5th and who is the photographer that day? (We will have a camera person that day.) That person must record everything in detail. This is my special direction.

What is the title of the speech? (Victorious Owner) A victorious owner means the one who goes back to God and True Parents."

"The God of Night, the God of Day, the King of Kings, and True Parents have been split."

"Mobilizing ancestors in the spirit world, we need to unify this world."

"The God of Night, the God of Day, the King of Kings and True Parents. Only True Parents will remain eternally making those as one, and all other religions will be gone. I have the title of True Parent, don't I? (Yes). So I am at day and night."
