Note: These notes are taken from a video clip of the web page Peace TV. This translation cannot be published as definitive texts and should never be used in the future as an "official" publication of True Father's words. However, they do provide a good idea of the "spirit" of the message. — Rev. Katsumi

"Korea is God's fatherland, rather than God's homeland."

"When did (Adam and Eve) fall? It was in February when they were 17 years old. My birthday is in February (in solar calendar). Mother and I have the same birthday with a 23-year difference. There will come the true wedding ceremony of True Parents. What we do on D-Day is the celebration of True Parents' wedding ceremony. Do you know that?"

"What is the anthem of Unification church? [Blessing of Glory] Why is it Blessing of Glory? It represents the life of Rev. Moon."

"Through tradition and blood lineage, one should resemble (their parents)."

"What does the perfection of God mean? It means the settlement of humans (that are True Parents). (Reading his calligraphy hung on the wall) The Settlement of the True Parents of Heaven, Earth and Humankind. Then Proclamation of Substantial Word of God. The substantial being, not the word, is the center."

"When you go to the spirit world, you cannot see God."

"Without having the substantial being, God cannot reproduce."

"It is in the Divine Principle that the term 'True Parents' appears for the first time in the history."
