However, they do provide a good idea of the “spirit” of the message. — Rev. Katsumi Kambashi

“In one’s life, what they do is to go and come, eat and sleep and like and dislike things.”

“Regarding the marriage of man and woman, they should get married when they are 17 or 18 years old. Before the age of 13, man is ahead of woman but during the age of 13 and 14, their positions change and from then woman is emotionally ahead of man. Therefore, when Eve was 14, 15, 16, and 17 years old, she came to like the archangel.”

“Human ancestors must have become the True Parents but since they could not be so, the God of Night and the God of Day have been separated. Their mind and body became separate.”

“I am an undercover agent of heaven and earth. I was born as an undercover agent (in order to solve) the sadness caused by the mistakes that took place in heaven and earth. That’s why I need to attend to the God of Night and the God of Day. Then the archangel must protect me, who seeks for God’s will in becoming True Parents. Therefore, when God calls out “Undercover agent!”

I am the first one to come out. When you go to the crossroad, ____ appears without fail, and it educates and attends to me. When I go to crossroads, it says to me ‘You came here, Yong Myung.’ (Father’s original middle name is Yong.) It is like my father but it is Lucifer. It is not my father but it is false.”

“Omma, (are we leaving) in the evening on the 18th?” (“Yes.”)
