Mrs. McDevitt read Father's speech book #24, titled "Let's Become a Substitute", until 5:30 a.m.

Then Father said his detailed teachings were not something that someone taught him, and that "These words are from God, and it would be miserable if you do not understand God since His world of heart and will would have no relation with you eternally."

Then Father asked Mrs. McDevitt to sing a song that she wanted to sing most.

After her song, Yeon Ah Nim sang a song, and Father told Sun Jin Nim to make a report on her coffee business.

Later Father told Hyung Jin Nim to make a report on True Parents' speech tour in Europe.
