Dear Blessed families,

Father, prior to revealing the concept of the God of Night and the God of Day, told all the Blessed families to join the Original Divine Principle workshop (Education regarding the Origin of the Principle) by Rev. Jeong Ok Yoo. One of the essences which are repeatedly taught in the workshop, I believe, is that the origin of the principle is Heavenly Father and True Parents are its substantiation. Father talked about the necessity of having the workshop for the first time on September 2, 2008, and I believe Father wanted to provide this opportunity for us Blessed families to be ready for this new truth.

In Father's keynote address on the occasion of the 52nd True Parents' Day, Father gave us an updated version of his speech "The Cosmic World Assembly for the Proclamation of the True Parents of Heaven, Earth, and Humankind, and the Substantial World of God". I picked up some of his words and newly added contents from the speech, which I hope give you further clarification regarding the God of Night and the God of Day. Please be mindful that THIS IS NOT AN OFFICIAL TRANSLATION.

Finally, I would like to say that the workshop we will have tomorrow and the day after tomorrow in Toronto will give us deeper understanding about this and more.

Rev. Katsumi Kambashi

(1) Definitions of Heavenly Father and True Parents on earth

Heavenly Father:

Vertical True Parents of Humankind / True Parents in the cosmos / God Who dwells invisibly / God as the King of Peace / Origin of heart / Origin of Absolute Sex which has true love, true life and true lineage

True Parents on earth:

True Parents incarnate / True Parents who substantially govern all and everything as God incarnate / True Parents of Heaven, Earth, and Humankind / God incarnate who governs the providence on earth / The master of the spirit world and physical world / Absolute Sex incarnate / Substantial sanctuary of God

(2) Some of the newly added contents

"God works as 'the God of Mind and the God of Body,' that is, 'the God of Night and the God of Day,' and the King of Kings, and True Parents. If Adam and Eve had gone through their growing period and fully matured while observing absolute sexual morality, they would have become True Parents incarnate. As the God of Day who is like the body of the God of Night, they would have been the substantiation of God, who is the Creator and the King of Kings."

"'God' means the God of Night, the God of Day, and the King of Kings who is the Ancestor of Jesus and True Parents (Rev. and Mrs. Moon.) In human history, no religion or sage could reveal such a reality of God."

“True Parents appear as the substance of God who is the origin of the principle, and also they themselves appear as the origin of the principle. They clearly reveal God’s reality. They revealed the following, which even Heavenly Father could not clarify: they taught the God of Night and the God of Day, and also clarified that the horizontal owner of the sexual organ of Adam and Eve respectively is not him or herself but his / her spouse, and the vertical origin of Absolute Sex is Heavenly Father. Let’s give a round of applause and honor to the True Parents (Rev. and Mrs. Moon) who revealed these.”

“The historical struggles and conflicts among the Four Great Representatives, the God of Night, the God of Day, the King of Kings and True Parents, which were caused due to the fall of human ancestors, have been finally and fully resolved by the True Parents of Heaven, Earth, and Humankind.”

(Katsumi: It seems to me that the term Jeol Dae Seong (‘Absolute Sex’) Father created has dual perspectives: ontology of God and human beings and the morality that human beings must observe)
