"One year and five months are left before Foundation Day, when True Parents' holy wedding will be held. I did not hold it yet on the foundation of completing my responsibility in God's Will. As of now, people did not know (true) tradition, (true) blood lineage, and therefore they did not resemble (True Parents). Sons and daughters must resemble their parents."

(Reading the title of his speech on his speech file) "'Settlement of the True Parents of Heaven, Earth, and Humankind.' How scary these words are. For me these are the most scary words."

"With my age of 93, there must be the wedding ceremony of True Parents, but who needs to prepare for that, heaven or earth? Beloved sons and daughters must do that. I, who is becoming 93 years old, should not pay everything and work hard. (Showing his left hand) My hands do not want to do that. 10 out of 10 people do not think to help me but want me to work harder. What are you going to do for that day?"

"Have True Parents held their wedding ceremony? God of Night and God of Day lose their faces in front of me and I must liberate them. Am I telling you the truth or a lie?"

When I was three years old, I came to realize there are the God of Night and the God of Day. I also realized that the fight between mind and body caused the problem.

Mother is younger than me by 23 years. Age wise, I am like her father, brother, or uncle. (When I married her) do you think whether or not I thought of the wedding ceremony for the God of Night and for the God of Day?"

"Who drinks more water, man or woman? Where does the baby stay in the womb? In the salty water."

Father read page 58-61 and 63 from his speech book.

"Racial migration will occur. Those who are coming this time (Christian ministers from the US) are for the registration. You (Japanese sisters) must do it in advance."
