Mrs. Yeon Shil Yang read Father’s speech given at the former headquarters in Korea on June 11, 1967, titled “Sincerity.”

Father gave Dr. Peter Kim a direction that the vice-presidents of Sun Moon University (Dr. Peter Kim, Mr. Jeong No Yoo, Rev. Hwang, etc.) should organize a workshop for the vice-presidents of all 4-year colleges in Korea. Father told him to invite them under the name of True Parents as the founder of Sun Moon University. Father also told Rev. Jeong Ok Yoo (lecturer of the Original Divine Principle), who will be the main lecturer, to be focused on his education in academic fields.

Father also said he would have a meeting with the board of directors of the Washington Times. He said we need to have its branch offices in 120 nations of the world.

(Towards the participants of the workshop there) “We currently have the 56th workshop for leaders of the Ocean project and the next one (57th) will be the last one. Then we will educate the vice-presidents of the colleges.”

Later Father talked about the necessity of the education for the vice-presidents of 4-year colleges in 388 nations in the world (194 nations of Abel UN and 194 nations of Cain UN).

Father also talked about the importance of Sedona, Arizona for God’s providence.
