Peace and love do not mean happiness

Hoon Dok Hae

Cheon Hwa Gung on 4. 23 by the H.C.

Note: These notes are taken from a Peace TV video clip. They cannot be published as definitive texts and should never be used in the future as an “official” publication of True Father’s words. However, they do provide a good idea of the “spirit” of the message. Rev. Katsumi Kambashi

“From now on, you will have this assembly with the same title. To who do we proclaim those? To the cosmos.”

“Ancestors of (American) Indians are Korean.”

“Before the words (the truth), there must be substance. But you think the opposite.”

“After I go to the other world (the spirit world), I have to complete the spirit world.”

“Peace and love do not mean happiness. Happiness and eternity can exist only where living for the sake of others functions. What do you need? Love or peace? They are not enough. You need happiness. Where can you achieve it? In emotion.”

“Cold things must be on the upper side and warm things must be on the lower side. For example, our stomach must be warm and our lungs must be cold.”

“Jesus died after his 2-years and 8 months mission period. I was in Hungnam prison for 2 years and 8 months and my grandfather was also in jail for 2 years and 8 months.”

“Fundamentally if one has nothing to receive, they will die. Likewise the reason why God can give is that He has something that he had received. With the eternal give and take, one can live eternally.”

At the end, True Parents sang a song, and at the end of the song Father said to the melody “We are happy people of the Cheon Il Guk.”
