Seunghwa ceremony is not to be held after death

Note: These notes are taken from the web page Unificationism and (or) a Peace TV video clip. They cannot be published as definitive texts and should never be used in the future as an “official” publication of True Father’s words. However, they do provide a good idea of the “spirit” of the message. Rev. Katsumi Kambashi

After Hoon Dok Hae on March 1, 2011, True Parents, accompanied by Kwon Jin Nim, visited Mount Charleston, which is at an hour-and-a-half drive from Las Vegas.

On March 2, Mrs. McDevitt read Father’s speech titled “Let’s console Heaven”. Father said in the speech that after the fall, not only humans but also Heavenly Father have been looking for consolation. He also said we, becoming ancestors of goodness, must accomplish our responsibility as heavenly patriots so that when we go to Heavenly Father we can be His object partners for consolation.

The following are some of Father’s words.

“Have I revealed about the God of Night, the God of Day and that Lucifer and Adam and Eve are cousins centering on God? (Yes) The Seunghwa ceremony is not something to be held after death. God’s homeland is not the US, England, Germany, France nor Russia, it is Korea. In Japanese, ‘Korea’ means hell (Katsumi: ‘Korea’ in Chinese character which is read in Japanese as ‘Kankoku.’ This word is similar to ‘Kangoku’ in Japanese which means ‘prison.’ Father says here that for the Japanese, Korea is a hell-like prison) Korea was the first enemy country for Japan and Japanese parents told their children to be married with people from any race or country but Koreans. But I promoted the cross-cultural, international Blessing marriage, and do you know that Japan became the first country to join it? Hyo Yul Kim (Dr. Peter Kim) is one of them, who was Blessed with a Japanese person.”

“I harmonized the God of Night, the God of Day, True Parents, and the King of Kings, and also opened the path for the unification of the Cain UN and Abel UN. Nobody cannot help but follow me from now on. Try to find if there is another way to follow, but there is not.”

“The Cosmic World Assembly, to Proclaim the firm establishment of the True Parents of Heaven, Earth, and Humankind, and God’s substantial word. These (three) are the titles that are used in the era after heaven. You(r) life) as an individual should not deviate from this title.”

“Any point in the cosmos that is a sphere, can be the center of it. A human being is a micro-cosmos.”

“You need to experience fishing at night. That is more mysterious and graceful. At dawn, you can see all fish jump from the water, and when the sun rises, the direction of the wind changes and the mist on the water is gone. It is so mysterious.”
