Note: These notes are taken from a Peace TV video clip. They cannot be published as definitive texts and should never be used in the future as an “official” publication of True Father’s words. However, they do provide a good idea of the “spirit” of the message. — Rev. Katsumi Kambashi

Mrs. McDevitt read Father’s speech titled “The Path We Have to Go” from his speech book #30.

“Say Tang Gam: indemnity. Indemnity is not for yourself, but for your reciprocal object partner. Digesting Cain and pioneering the path for them, you need to back them so that God can embrace them. Putting God in front of yourself, and putting Cain’s world on your back which had been completely embraced and surrounded by Satan, you have to live for the sake of others.

Those who came from Korea to the US (who are the representatives of 172 Korean tribes), what do you do here? It is because Korea is God’s fatherland. When Cain backs Abel and Abel attends God, Satan and the Satanic side cannot reverse the heavenly order. So the course of the Unification church is extraordinary, and we always need to console Cain side. Then there would be only Abel and no Cain group left. That is the way only God’s side can go.”

“Only Rev. Moon’s teachings will remain and even if you go to another place, your mind cannot be safely settled. You would feel more miserable.”

“I will go back to Korea within several days.”

After the meeting, a dedication ceremony of 15 buses of L.A. Transportation Company which was founded by True Parents, was held in front of the Cheon Hwa Gung.
