Note: These notes are taken from a video clip of the web page Peace TV. This translation cannot be published as definitive texts and should never be used in the future as an “official” publication of True Father’s words. However, they do provide a good idea of the “spirit” of the message. — Rev. Katsumi Kambashi

Father read a later part of his speech “Cosmic Assembly for the Settlement of the True Parents of Heaven, Earth and Humankind, and the Proclamation of the Substantial Word of God”. The title of his speech that day was “Proclamation of the Era of the True Parents of Heaven, Earth and Humankind” with the sub-title “Important Speech of Today.”

Father started his speech with the following part: “Ladies and gentlemen, last year in Las Vegas, there was a special proclamation centered on God that was given by the True Parents of Heaven, Earth and Humankind on two separate days, one part at 2:20 AM on the 8th day of the 5th month of the Heavenly Calendar (June 19, 2010) and the other at 3:25 AM, on the 15th day of the 5th month of the Heavenly Calendar (June 26, 2010). You don’t know the contents of the proclamation. It’s a secret and it’s regarding heaven and Eve.”

“Korea will now become God’s homeland and hometown. I didn’t decide this by myself alone.”

“Distinguished guests, at this serious and important time, a revolutionary and cosmic change must now take place in your lives.

Communists just say ‘Revolution!’ but we say ‘Cosmic Change.’”

“First, all blessed families should attend God at the center of their families and every day carry out Hoon Dok education, which can completely unite parents and children. This is necessary for the Blessed families of both the spirit and physical worlds. I’m teaching now the contents of the constitution in the future.”

“Absolute marital fidelity taught through the original Divine Principle. This (absolute sexual morality) will be a part of the constitution in the future, and therefore everybody must observe this. You have to educate 13,000 people.”

“Fourth, we are now entering the era of the authority of God’s direct dominion. Since my proclamations are on a worldwide level, those words will become the part of the constitution.”

“Seunghwa Ceremony of the New World (Katsumi: English version of the speech does not have this part of the subhead which comes before “Establishment of the New Tribal Messiah Global Federation for Peace.” This is not Seunghwa Ceremony.

Parents hold this with their physical bodies who eat, use chopsticks and spoons, and use washrooms (like any other people). They are like the people in the secular world but their tradition and blood lineage are different! You must understand its parents’ responsibility (to hold this ceremony for their children) from the time of their conception.

The God of Night, and Jesus who are in the spirit world as a spirit, don’t have their physical bodies, and so they cannot have children. There is no reproduction in the spirit world. Without dying, Jesus wanted to create the world in which people can live with God, but he was killed by the people. Did he come to die? You are crazy (if you believe so)!”

“I am the specialist with the spirit world.”

“Centering on Hwang Sun-jo, the President of UPF Korea, the Seunghwa Ceremonies for the realm of the tribal messiah and for the first, second and third Israels were to be completed between October and December 31, 2010. The three-day ceremony and indemnity stick ceremony (of the Blessing) are also to be completed.

Korea is God’s homeland and hometown; because it is True Parents’ nation, we should have all the people of Korea take part in these ceremonies. This is on the page 61 (of his speech file), and I started this work since I was 61. Likewise, this speech and page numbering as my age are the record of my whole life.

There appears a name ‘Hwang Sun-jo’ here, who is the representative and successor of the three generations, 19th to 21st generations from admiral Lee Soon Shin. He is also the president of the ‘New Tribal Messiah Global Federation for Peace.

Hwang Sun-jo! (‘Yes!’) Have you been conducting this (the Blessing, the three day ceremony, and indemnity stick ceremony of the Blessing)? (‘Yes I have been doing it.’) If not, that would be a problem. Hwang Sun-jo! Come to the front and pledge to do that. (Rev. Hwang asked the participants if they join him in doing this, and they said ‘Yes!’)

(To the participants) Raise your hands and clap! (They did so) ‘ “The ancestors from the realm of the original lineage and people belonging to the heavenly realm who received the Blessing centering on True Parents, including Adam and Eve, the Moon clan, boon-bong-wangs and Ambassadors for Peace, each nation’s president and leader of the national assembly, should realize the realm of oneness embodying all of God’s all-transcendent, all-pervading, all-capable and omnipotent qualities. Study what these words means.”

“The historical conflict and strife experienced by the four great representative kings, that is to say, the God of Night, the God of Day, the King of Kings, and True Parent, and which arose because the first ancestors fell, has finally been completely resolved by the True Parents of Heaven, Earth and Humankind.

Jeong Og Yu! (‘Yes!’) Stand up. He is the representative who can give the lecture regarding the liberation of God.

(To Rev. Yu) You have given education so far, and are you confident (with what you are doing)? (‘Yes!’) Answer loudly! (‘Yes, I am confident!’)

By the D-Day, 13,000 people (from a country) must be educated. I already told you and so I’m not responsible for that.

(To Rev. Yu) Ask the people here if they come to your lecture. (‘Are you coming to the lecture?’ ‘Yes!’) Raise your hands and clap to pledge. I’m not playing here.”
