“What is the life of human beings in the ‘era of worldly matters’? What is the family and nation in the era of human affairs’? (After the era of heavenly affairs) there will be the ‘era of the resonating heart’ in which one can transcend the past, present and the future, and relate to any place by resonating in heart. What are the resonating sphere of heaven and earth and the era of freedom and liberation? Nobody knows them.”

“Confucianism teaches a vertical (human) relationship and Christianity teaches a horizontal (human) relationship.”

“When I was a student of Waseda University, I did not attend class and instead studied Japanese society. I went to university to study electricity but when I asked questions, professors could not answer them. The Happy Health machine that I invented when I was 17 or 18 years old, which is the electric device that can cure any disease. Even cancer will be gone if one uses it for three years.”

“When I was a child, I asked my grandfather, ‘Have you been a friend to God?’ Then he asked me ‘How can I do that?’ I said, ‘I can become a friend to you.’

“Before I came here I did my physical exercise.”
