Mrs. McDevitt read Father's speech from his speech book # 34, titled "Our Responsibilities."

(While listening to his speech) "At what age did I give the speech?"

(Indicating his speech 'Cosmic Assembly for the Proclamation of the Settlement of the True Parents of Heaven, Earth and Humankind and the Substantial Word of God')

"I belong to this and I am not beyond this. But by reaching the conclusion of the settlement of the True Parents, we are entering the era where Satan's tradition, lineage and resemblance disappear. The Kingdom of Heaven can be established on that principle on individual, familial, tribal and worldwide levels. All of you still resemble Satan's tradition and lineage. True Parents' sperm and egg have never met yet."

"Jesus couldn't become the Messiah on a tribal level."

"You say 'Father is old and he only scolds us. He must be like me, like our mother and like us but he is becoming more scary and getting farther from us.' You think you are the best. You think you can ask your grandparent anything you want but that is not what you are to expect from 'the Messiah.'"

"Who is Rev. Moon? A parent. There have not been parents and the seed of the parents. If your parents had that, there shouldn't have been religions."

"There are members who have never read this speech. You have not reached the position yet where you can receive my love."
