Note: These notes are taken from a Peace TV video clip. They cannot be published as definitive texts and should never be used in the future as an “official” publication of True Father’s words. However, they do provide a good idea of the “spirit” of the message. Rev. Katsumi Kambashi

“Recently, I said that there had been the ‘era of worldly matters’ and the ‘era of human affairs, and the final stage is the ‘era of heavenly affairs.’ The era of heavenly affairs means the ‘era of resonating heart. Do you know what the ‘sphere of resonating heart’ means? Do you know what the center of it is? You do not know it yet and I do not have time to talk about it this morning.”

“After parents go to the spirit world, they are able to come to visit their children on earth. (When they are connected) with God’s heart Who created their sons and daughters, they, who are in the spirit world, can meet, touch, and cry with their children on earth as they wish.”
