Lucifer is like a brother of God. The God of Night created Lucifer, and then who created Adam and Eve? (The) God (of Night) created them through and together with Lucifer.

Do you know me or not? (For you am I) a teacher or a fool that you can utilize as you wish? (Raising his voice) As who do you understand me? A person, who is called True Father, leaves his self free to live and do things? True Parents have been living the course of True Parents. You cannot follow that path.

As of now more than 2,700 books of my speech have been published. Today, we listened to my speech which was given 40 years ago, and how do those words can be valid yet still for now? It is because they came from heaven. Attend Hoon Dok Hae everyday, and even if all of you do not know these words, heaven will give special teaching to some of you regarding the topic of each day so that they can teach others.

What is the difference between the era before the coming of heaven and the era after the coming of heaven?

(Then Father read the first part of the title of his speech file: Settlement of the True Parents of Heaven, Earth, and Humankind)

It should not be Settlement of the True Parents of Heaven and Earth. In order to put human, which is translated as Humankind here, mind and body must be united and husband and wife must be united too.

This (part of the title) means everything, which holds all my secrets. Then Proclamation of the Substantial Word of God.

Do you know the spirit world has been unified? (Raising his voice) Do you know that the spirit world is unified? I live with the spirit world, such as my ancestors and religious leaders.
