Note: These notes are taken from a Peace TV video clip. They cannot be published as definitive texts and should never be used in the future as an “official” publication of True Father’s words. However, they do provide a good idea of the “spirit” of the message. Rev. Katsumi Kambashi

“When it is time to get up, the spirit world wakes you up. If you do not get up, they will even kick you to do so. Who will do that? It is nobody else but your father, mother, or cousins [in the spirit world] that are close to you. They [in the spirit world] would say, ‘If you offer Jeong Seong, [True] Parents come to visit your place.’ What do [True] Parents value? They come to visit where Jeong Seong has been offered.”

“Why did I come to Las Vegas? To offer Jeong Seong and give heavenly fortune, but people do not know what that fortune is.”

“Nobody had thought of Las Vegas. I made a plan to come here 30 years ago.”
