Hoon Dok Hae

Cheon Jeong Gung

Mrs. McDevitt read from page 119 of Father's speech book #19.

"I am sitting here doing Hoon Dok Hae, and when all the Blessed families in the spirit and physical worlds direct themselves to here and share the same position with me, the whole world can be connected to this center (where Father is). Then the whole universe can enjoy and talk in the same position, the same sound and the same reality. There will be such a world."

"If you do not continue to be concerned about me 24 hours a day, you will be cut off from the power plant of the spirit and physical worlds."

"You should organize your tribe as the tribe of one lineage as soon as possible so that you can make Korea as the people who live in the village of God."
