Note: These notes are taken from a Peace TV video clip. They cannot be published as definitive texts and should never be used in the future as an “official” publication of True Father’s words. However, they do provide a good idea of the “spirit” of the message. — Rev. Katsumi Kambashi

“Today is a very good day. It is 9.4 today and we get together here again and make a new start. 9.1 means the number 10, and you came here on Sept. 28, and (in Korea they say) 28 (one’s sixteen years, or being young) 9 x 4 makes 36.” (Regarding the name of Lucifer) “Noo of ____ Lucifer means ‘kinds’ which represent humankind, and shi means ‘seeds.’ So Lucifer means ‘the seeds and fruits of humankind.’ Wow. This means ‘fruits of the bad seeds.’ His tradition and blood lineage have nothing with the God of Night, the God of Day, and True Parents.”

“Adam and Eve became the false parents, who destroyed everything. Since they didn’t reach perfection, the God of Night and the God of Day became separate. Do your mind and body fight against each other or not? Regardless of who you are, westerners or Asian, all of you suffers the fighting between mind and body.”

“(True) Mother is smart. She is the one who told to film the 172 faith leaders at Namdaemoon market, which became the materials for the video program made by MBC. You saw it this morning, didn’t you?”

After the meeting, they left to go fishing, and Rev. Hwang and Rev. Jo accompanied Father, who continued to speak to them on the boat.
