Note: These notes are taken from a Peace TV video clip. They cannot be published as definitive texts and should never be used in the future as an “official” publication of True Father’s words. However, they do provide a good idea of the “spirit” of the message. — Rev. Katsumi Kambashi

Mrs. McDevitt read Father’s speech titled Let’s go over a pass,” given on Wednesday, April 8, 1970.

When she read the title, Father said, “Let’s go over a pass. There are 50 passes. 7×7 makes 49 and if one can’t go beyond 50, they can’t enter the common grave. We have to go over that level and today is such a day.”

After her reading Father said the following:

“From now on, we are entering the era where there would be 12 passes, 0 passes or 10 million passes, which depends on what I say. Who will be responsible for that? True Parents, not false parents. The term ‘True Parents’ is eternal, which can’t be represented by any person. After the human fall, there was no space for God, who was stepped on and kicked out by the fallen humans as the God of the Body.

Consequently, there hasn’t been anybody who knows the Heavenly Father and the reality of the spirit world.”

“Yesterday, it was just 4:00 p.m. and 1 second when I arrived here by helicopter and talked for a minute.”

“This time I caught big... (Hirashi: yellow tail) of 111 cm and 106 cm.”

“What is the ‘Lord’s Prayer?’ What is it? (Some tried to answer.) In Las Vegas, I taught clearly the prayer of the Messiah of the Second Coming which I have offered my whole life.

(Then Father recited the contents of the prayer but he did it quickly which was hardly able to be understood. The latter part of it was) ‘England, USA, France, Japan, Germany, Italy, True Parents as an absolute couple are settled, everything is finished.’ This is my prayer and I did it (officially) for the first time in Las Vegas. (Silence) You don’t know what I mean.

(Then he recited his prayer again) There is even no ‘Aju’ at the end. When True Parents and God form a family, everything is done since the whole ideal of creation is realized there.”

“17 years old. (Then Father flipped his speech file looking for the page 17 and then started to read the page 18) ‘That is the way of the sacred and noble Seonghwa Ceremony.’

(Katsumi: Father changed Seunghwa to Seonghwa in his speech. The concepts of these two terms are different according to Father, however the related context in the speech remains the same.)

This is not Seunghwa but Seonghwa. This is an official holiday.”

“I started to talk about the separation of the God of Night and the God of Day for the past three years. Nobody had thought that by uniting one’s mind and body, God would be liberated.”

“The prayer that True Parents have offered their whole lives like the ‘Lord’s Prayer’ is ‘(Katsumi: I couldn’t understand it).’ Then ‘England, USA, France, Japan, Germany, Italy, the King of King and the Creator form a

family and become one, unification is perfected, completed and concluded.’

(Opening the page 74 in his speech file which has been added, and read)

‘The ultimate purpose of the providence. Everything is perfected, completed and concluded. The era of Hoon Dok Hae is completed and perfected.’ But (regarding the era of Hoon Dok Hae) there isn’t a word ‘concluded.’ Also it is not ‘perfected and completed,’ but ‘completed and perfected.’ Then here is my name Sun Myung Moon, and the date is 7.3 by the H.C.” (Reading the first page of his speech file)

“I am truly happy and grateful to see you at this Origin of the Principle Assembly.’ I put the word ‘Origin (of the Principle)’ after I came back from the speech tour from Europe. It is now to teach for real the substantial being of God.”

“In the speech file, there are six pages of general introduction without numbering and the first numbered page is the seventh page when the speech begins. These two parts can’t be separated.” (Reading the page 58 of his speech file)

“In order to finalize what I, the Rev. Moon, have achieved through the course of my entire life with God the master of the spirit world and physical world.’ Who is Rev. Moon? It is Yong Myung Moon (which is Father’s original name), not Sun Myung Moon.” (Katsumi: Father recently has emphasized his original name)

“It is only me that protects the spirit world. Die and find out if I am saying the truth. What would you do if I am right? That would a big problem for you.”
