True Parents Prayer

Sun Myung Moon

October 22, 2011

Ceremony for the Proclamation of Peace Week 2011

9.26 by the H.C.

Sun Moon University

Note: These notes are taken from a Peace TV video clip. They cannot be published as definitive texts and should never be used in the future as an “official” publication of True Father’s words. However, they do provide a good idea of the “spirit” of the message. — Rev. Katsumi Kambashi

Commemorating the 20th anniversary of True Parents’ visiting North Korea, the “Ceremony for the Proclamation of Peace Week 2011” was held at Sun Moon University on 9.26 by the H.C. (Oct. 22, 2011).

(Holding his speech file) “This is ‘True Parents’ Prayer. Do you know Jesus’ prayer (the Lord’s Prayer) was compiled after his death in the 4th or 5th century? This speech contained 73 pages, and explained the God of Night, the God of Day, and the history of True Parents in each page. Even if you have a Ph.D. from a famous university, you can’t interpret this. If you can interpret this correctly, we don’t need any schools to teach, even the Sun Moon University founded by me. I am not attached to this university. This (speech) is like my daily from my childhood. (Reading the title) Settlement of the True Parents.

This is everything. There is my calligraphy at Hoon Dok Hae room on the second floor of Cheon Jeong Gung, which says Settlement of the True Parents and the Substantial Word of God.

(Reading the rest of the title) Cosmic Assembly for the Proclamation of the Substantial Word of God. This title means everything. From the 1st page to the 6th page, there is the introduction, and the 7th page is numbered as the 1st page.

(Father started to read from page number 2) Ladies and gentlemen, this is a very eventful time in God’s providence. Last year I celebrated my ninetieth birthday and took my first steps toward the hundredth year of my life. I have been blessed with a long life, beyond the average human lifespan. Last year my wife and I were also able to commemorate our fiftieth wedding anniversary. This means True Parents are now living with you. I treasure all secrets of heaven and earth in this speech. Don’t use the written language.”

“There was page 74 but there is not anymore. In Las Vegas, the number 26 had been lost centering on the number 13, but early this morning I sent the things at the number 26 and today is the 20th anniversary for my encounter with Il Seong Kim, and so I thought I must come to teach people today. That’s why I came here today. So I am finished with Las Vegas. The whole world depends on each of my words.”

“On page 24, I have corrected the contents of this page hundreds of times.”

(Reading the first page of the introduction) ” The path taken by the True Parents shall serve as a tradition and historic example, I am not lying here. If you believe this, believe it, and if you don’t want to believe, don’t believe. thus, I am proclaiming that all of you should model your life course on this path, become families that pledge to inherit and fulfill the will of God that True Parents have already accomplished, and be true to this pledge. This means ‘With parents, do you take your portion of responsibility?’ Not only the parents here, but you proclaim this together with your own parents as well. Thousands of years have been waited, and there has not been a day like today.”

“All the blessed children in the heavenly and earthly worlds, who are related to the True Parents by blood, should keep this comprehensive and final proclamation in mind. This proclamation is being given in order to fully

establish the ideal nation that comes from the incorporeal God and corporeal God, the God of Night and the God of Day, and from the ancestors of Jesus and of the True Parents. This is the last proclamation of the True Parents and you should do it together with True Parents.”

“I ask that you take this proclamation of True Parents to heart and pledge to put it into practice. I said here ‘take’ not ‘learn’.” (With a big voice) “Take! If you don’t practice it after your pledge, you will have a problem.”

“Ladies and gentlemen, this is a very eventful time in God’s providence. Last year I celebrated my ninetieth birthday and took my first steps toward the hundredth year of my life. Nobody knows how long I will live.”

“Ultimately, the problems afflicting humanity can only be resolved through the worldview of One Family under God, in other words, the ideology based on true love, which my wife and I, the True Parents, have learned from Heaven and have championed and taught throughout our lives. This is the only way for humankind to find the path toward peace and happiness. Rev Moon is the Second Messiah and you must listen to his words. The words of the Second Messiah.”

“All the good spirits in the spirit world are mobilized and are already moving forward a step ahead of you. You don’t know Rev. Moon is mobilizing your ancestors to save you.”

“Ladies and gentlemen, do you have any idea how much pain God suffered the moment our first ancestors, into whom God had invested His complete and unreserved devotion since time immemorial, fell and disappeared into darkness, becoming part of Satan’s lineage? Are you even remotely aware that our Heavenly Father — who endured tens of thousands of years of excruciating heartache so great that His bones shed tears and His flesh quivered — had to go through the long, dark tunnel of indemnifying the human Fall in order to save His lost children? How many of you have spent days and nights in tears, yearning to comfort our Father in Heaven? You snobs, have you shed tears for Heavenly Father? You are just proud of yourself.”
