Note: These notes are taken from a Peace TV video clip. They cannot be published as definitive texts and should never be used in the future as an “official” publication of True Father’s words. However, they do provide a good idea of the “spirit” of the message. — Rev. Katsumi Kambashi

Father listened to the reading without making any comments throughout it.

(Indicating his calligraphy hung on the wall which says “Proclamation of the Settlement of the True Parents of Heaven, Earth, and Humankind and the Substantial Word of God) “Nobody can interpret that.”

“We must liberate God. Then who will liberate True Parents? On D-Day, there will be a True Parent’s Blessing ceremony and I will give the Blessing to all kinds of people as well. I would like you to be the owner and I have been going forward silently waiting for that day.”

“There is no lie in this speech.”
