Note: These notes are taken from a video clip of the web page Peace TV. This translation cannot be published as definitive texts and should never be used in the future as an “official” publication of True Father’s words. However, they do provide a good idea of the “spirit” of the message. — Rev. Katsumi Kambashi

“People use the term ‘Foundation day’ without knowing its meaning. What is Foundation Day? It is God’s Foundation Day.”

“The Liberation of God. Why? God has not been settled yet. (Reading the title of his speech) Settlement of the True Parents of Heaven, Earth and Humankind.’ This means everything. Then Proclamation of the Substantial Word of God.’ This means the truth proclaimed by True Parents as the substantial beings who have been settled. What is the content of the proclamation? It is the ideal of family and nation. Then comes ‘Cosmic Assembly.’ This means this is the assembly that all people in the past, present and the future like to participate in.”

“I am becoming 93 years old and (this life) can be extended up to 97. There are only 5 years left until 97. I need to live until 100 years old. 100 means 25 times 4, which is east, west, north and south, and so I have to live to 104 years old. If I go to the spirit world before that time, I will revolutionize that world in a blink since they are waiting for me.”
