Note: These notes are taken from the web page Unifications and (or) a Peace TV video clip. They cannot be published as definitive texts and should never be used in the future as an “official” publication of True Father’s words. However, they do provide a good idea of the “spirit” of the message. Rev. Katsumi Kambashi

“Who is God? What kind of relationship do I have with Him? Centering on blood lineage, Father (God) and child resemble each other.”

“On the base of harmony, there comes unification. Harmony here means ‘You and I resemble each other,’ and then unification is possible.”

“I said Mul Jeong Sidae (nature-centered era). All things have their Jeong (love, heart or emotions) too. Then comes In Jeong Sidae (human-centered era) and Cheon Jeong Sidae (God-centered era) and that is not the last. There is Gong Jeong Sidae, which nobody knows yet. You do not know yet the world of Jeong where the spirit world and physical world are united, do you?”

“After the number 10, there is the formation stage, growth stage and then perfection stage. This is the significance of the number 13.”

Father explained the lyrics of the national anthem of Japan (Kimigayo = His Majesty’s Reign), and the Japanese old concept of their emperor, ‘Ahlaitogami’ (living god), which he has continued to mention recently. Then showing a copy of his latest calligraphy (see the attachment) Father explained the meaning of the structure of each Chinese character in the calligraphy.
