Who made the 38th Parallel?

Sun Myung Moon

January 26, 2011

Hoon Dok Hae

Cheong Hae Garden

Note: These notes are taken from the web page Unificationism and a Peace TV video clip. They cannot be published as definitive texts and should never be used in the future as an “official” publication of True Father’s words. However, they do provide a good idea of the “spirit” of the message. Rev. Katsumi Kambashi

“I started to offer Jeong Seong 30 years ago to providentially develop the Hoover Dam and Grand Canyon centering on Las Vegas.”

“Even if you do not like your in-laws, love them and then they will change.”

“Who made the 38th Parallel? It is North Korea. North Korea will never and cannot remove it, blaming it on South Korea, who still helps North Korea. See what will happen to the future generations of North Korea under such circumstances.”

“When I lived in North Korea, I experienced temperatures of -30 F. In Seoul, I experienced -28 F when I could not come out from under the blanket, holding my pillow in a cold room. I have such a history. It was really cold and so I had a light bulb with me and burned my skin.”
