Note: These notes are taken from a Peace TV video clip. They cannot be published as definitive texts and should never be used in the future as an “official” publication of True Father’s words. However, they do provide a good idea of the “spirit” of the message. — Rev. Katsumi Kambashi

(Reading Father’s calligraphy hung on the wall) “Settlement of the True Parents of Heaven, Earth and Humankind. Without humankind, all others are unnecessary. With humankind, settlement can be possible.”

“Then Proclamation of the Substantial Word of God comes.

(Katsumi: In his calligraphy, due to the fact he didn’t have enough space in the end, he wrote ‘Word of God’, written upside down and ‘Proclamation,’ written under it.)

___ follows ___, but ___ and ___ were written together separately. Did I write it that way after I had thought of it? No. Mysteriously enough, I ended up writing it that way. This was written not to fit my mind but that of the cosmos.”

“Men look up to see the sky and women look down to see the earth.”

“4 x 8 makes 32, which is the number of our teeth.”
