Note: These notes are taken from a video clip of the web page Peace TV. This translation cannot be published as definitive texts and should never be used in the future as an “official” publication of True Father’s words. Rev. Katsumi Kambashi

Mrs. McDevitt read Father’s speech from his speech book #28, titled “God’s Day and the Mission of the Unification Church.”

Father showed the calligraphy he wrote the night before, celebrating the establishment of a new foundation called: Won Mo Pyeong Ae Jae Dan — Won (means ‘round’ or ‘circle’) Mo (means ‘mother’) Peace and Love Foundation). The following are some of his words regarding the foundation.

“Won Mo thought is True Parents thought. Everything is covered by the word Won Mo.”

“For humankind, this Won Mo means Heavenly Parents, and there would not be even the God of Night, the God of Day or True Parents.”

“Its headquarters will be located in Korea, which is the homeland of God and True Parents.”

“These are conclusive words.”

“The God of Night, the God of Day and True Parents, they all do not have an eternal partner yet.”

“This foundation takes responsibility and you should not have your own possessions yet. Everything must belong to this foundation.”

“Those who cannot explain this cannot be sons and daughters of True Parents.”

“Nobody knows of God. Both the God of Night and the God of Day are widowers. They need a wife. (Katsumi: It seems that Father uses \_\_\_ here as ‘wife’, not ‘mother’)”

“Chang Shik Yang said there must be a wedding ceremony. You are right, and I must have a wedding ceremony again with \_\_\_\_. That must be a decisive wedding ceremony of True Parents. Where? In my hometown in front of the graves of my parents.”

“Elections will not be necessary when we say and practice “Let’s live together.” People get together centering on parents.”

Rev. Chang Shik Yang’s report:

“Last night Father called us and later gave us this precious calligraphy and also he talked to us about his master plan towards Foundation Day (Jan. 13, 2013). We are not familiar with the term ‘Won Mo.’ Father gave titles such as Dae Mo Nim and Chung Mo Nim, and recently he said this ‘Won Mo.’ ‘Mo’ means mother but according to Father, ‘Won Mo’ means the True Parents of Cosmos, or Cosmic True Parents. The boat for which we will have a launching ceremony tomorrow is called Won Mo boat. They asked me many times how to translate ‘Won Mo’ in English but it cannot be translated easily and so we decided to use the original term ‘Won Mo.’

From today, we have 554 days to go until Jan. 13, 2011, and so yesterday when Father gave the calligraphy was exactly 555 days before the day. (Father said 'Wow.') Foundation Day must be the highlight of God's providence and the day of the completion of the providence. That day, (as one of the program) Father will give awards to those who contributed to humankind under the name of this foundation, which is an international non-profit foundation run by professionals and will be the most authoritative organization in the world."
