Note: These notes are taken from a Peace TV video clip. They cannot be published as definitive texts and should never be used in the future as an "official" publication of True Father's words. However, they do provide a good idea of the "spirit" of the message. — Rev. Katsumi Kambashi

"You don't know where I came back from, do you? During the 20 days I promised (True) Mother for, we visited starting with Jeju Island, Dok Island, Oolung Island, and Dae Ma Island or Tsushima which is located between Korea and Japan, and then we have to go to Las Vegas. I have to decide during the period. Sun Jo Hwang, did you do gimjang (preparing kimchi for the winter) yesterday? ('Yes.') Gimjang is necessary for preparing the winter. We must decide before December. November is a lonely number without having a partner. I wanted to go to Las Vegas by the 20th but because of Mother I postponed it. I shouldn't go to Las Vegas alone without mother. We need to educate 3,000 ministers in the US (1,800 have been educated so far) and we educated 305 people (of the financial circle in Korea on 10.27 by the H.C.) We must move nations with those people. By prolonging for 20 days, I must decide during the period. Kook Jin is now meeting leaders in various fields in Korea."

"There shouldn't be elections in the Garden of Eden. As brothers and sisters, they must recommend people."

"I am 93 years old and another 1.1. by the H.C. is coming soon. I must be finished with everything by that day and True Parents' wedding ceremony is the only thing that must remain in the Garden of Eden where all of you must participate too. The settlement of the True Parents of Heaven, Earth, and Humankind means something substantial, and then the Substantial Word of God comes."

Right after the meeting, True Parents left for the Peace Dam at Hwa Cheon. Father had said he must collect Jeong Seong from all places in Korea before leaving for Las Vegas. On Nov.25, starting at Nam Han River, they went up to Chung Pyung, and that day (Nov. 26), they went from Chung Pyung Dam up to the Peace Dam, which was established for the sake of protecting Korea from the flood attack by North Korean Im Nam Dam close to Geum Gang Mountain. At the Peace Dam, True Mother prayed and then True Father prayed for the perfection of God's fatherland.
