Note: These notes are taken from a video clip of the web page Peace TV. This translation cannot be published as definitive texts and should never be used in the future as an “official” publication of True Father’s words. However, they do provide a good idea of the “spirit” of the message. — Rev. Katsumi Kambashi

“It is Truth by the Truth Body, not Substantiation of the Truth.”

“You should not possess anything yet because parents do not have the right of possession yet.”

“Even when you speak Japanese in the spirit world, people don’t understand you.”

(Katsumi: The following contents are difficult to be understood and I just translated what I could translate. I think Father is talking something very important and hope he will give us further explanation on each point so that we can understand them more clearly.)

The female lion is like Abel. (If there is no food) the male lion sacrifices her for their offspring. But the female lion eats both the male and female lions for that sake. That is what I am. My name is \_\_\_\_\_, which means the dragon on the top of sun and moon. In Christianity, they call God the Father, God the Son, and God the Holy Ghost, but where is God the Mother? How can the son come out without mother? Through religion, by finding mother and having a marriage of heaven and earth, one can love the world. That is the path Abel has to go for the unification without fight, but when there is the bloody engagement between Abel and Cain, (offspring of Cain side) must be terminated completely without leaving any. Even having a house on the sand with no food, Abel as a younger brother must reproduce offspring. Only I can interpret this. I have a providential ‘eye.’ Who revealed the words Restoration through indemnity? (‘Father’) Going beyond 13, and from 15 one can return. There is no man at the number 14 but only woman there.

I know who is the father and the elder brother of the Archangel, who should be the bride of the elder brother, and who must be the king. Why did God say if one eats the fruit of the tree of knowledge of good and evil, they will eternally die? What is the fruit of the tree of knowledge of good and evil? Only the Archangel knew it. Adam, God, and Cain knew what the tree of life is. God kicked out Adam and Eve from the Garden of Eden but also God later promised that those who believe in his son will obtain eternal life. (Since these two are totally opposite one would be able to say) The ‘Archangel is a swindler and so is God. I have to ask this on D-Day. Hey Archangel, do you know that you must be married with a female, even if it means creating her?’ God, as his elder brother, had to do raise and offer his wife and youngest daughter. If He cannot do that, twins from Cain and Abel should be offered.

My mother gave birth to a twin brother and sister. There was such a history. I asked her, ‘Even if your brother was married, why were your grandfathers not married? Because of whom?’ She said, ‘I do not know.’ and turned around with her eyes closed. So I understood it was because of her. To make it clear, I said to her ‘You are wicked’ for three, four times, and then she, right front of me, surrendered saying, ‘I made a mistake. I have a secret.’ So I asked her about it and she said, “For what do you need to know it even you can do more? If you wait, (you will know it). I will take the whole responsibility to the end.’ So I thought I couldn’t have this woman with me and must kick her out.

After Adam, Cain, Abel and all of the tribe went below the horizontal level and they have been locked without being able to be opened again. I do not think I have to talk more about this. Do you want to know more or not?

You do not have to know more. If you cannot accomplish your responsibility, all you have to do is to follow me.”
