

## The 7-yr Course of Foundation Day Cheon Il Guk

By Bishop Winny

We have to remind ourselves one more time of the internal significance of this 7-year course leading to Vision 2020. Understanding about this period would give us great wisdom on how we should conduct ourselves and face the challenges within the remaining period of 2 years and 7 months.

### 7 Year Course centering on True Parents

Every time Heaven would begin an important new providential age, a 7-yr course is always set. For example, when the age of the LSA began, Father set the 7-yr course from 1945 to 1952. However, we knew very well that a prolongation period became a necessity and the age of **True Parents could only be proclaimed in 1960** (church level) instead of 1952. Immediately, Father began the 1<sup>st</sup> historic **7-yr course from 1960 till 1967** centering on True Parents following their Holy Wedding. Nonetheless, it was under the 40yr indemnity period (1945-1985) and the 2<sup>nd</sup> historic **7-yr course from 1992 to 1999** began, but this time, it is centering on the Victorious True Parents (cosmic level) proclaiming the Completed Testament Age.

### Where are we now in the providence?

We are in the less than 3 remaining years of a **7yr course from 2013 to 2020** of Foundation Day in the Cheon Il Guk era centering on the victorious True Parents of Heaven Earth and Humankind (kingship level).

### Significant Information about this period:

**1. We were CONCEIVED in the womb of the True Parents.** The assembly of 35,000 people (representing all the blessed families worldwide) with True Parents held on April 21 2012 Saturday at the World Peace Center was actually a 10-month period before Foundation Day Blessing. Internally speaking, that URGENT gathering as strongly directed by Father (while aboard the plane from LV) brought us to the internal preparation to be REBORN on Foundation Day. After

this assembly, True Parents directed ALL the blessed families worldwide to undergo a 30-day education workshops centering on Original Substance of the Principle. **WHY?** Just like a fetus in the womb needs nourishment from the mother, **WE** all need OSDP as our spiritual food during conception period.

**2. Foundation Day Blessing is the Wedding of True Parents & Heavenly Parent** proclaiming the absolute union of the God of Night & the God of Day, the visible True Parents of Heaven Earth & Humankind & invisible Heavenly Parent. This very precious wedding declares the new ERA under God's Direct Dominion. **They became absolutely ONE and Inseparable.**

**3. The REBIRTH & Registration blessing for all blessed families.** Because the original ideals or the logos and blueprint of God's creation finally came into reality thru our True Parents and because God could stand in His absolute authoritative position as Heavenly Parent, Blessed families and all humanity who were born in the realm of fall could finally have the unconditional grace of being reborn in the position of *Direct children of the Heavenly Parent & perfected True Parents in the realm of Direct Dominion*. Foundation Day Blessing promises unconditional love of forgiveness, liquidation of sins and rightful position as newly born Adam & Eve BEFORE the Fall.

**4. The era AFTER coming of heaven.** We have entered a DIFFERENT realm which Father said, a realm that has nothing to do with the FALL, incomparable to even a day before it. It is a realm that nobody can comprehend even how intellectual they may be or well-versed about life they may claim they are...It is beyond any restoration formulas and indemnity courses....WHY? All of humanity came out from the fallen realm while Jan 13 2013 (HC) is the beginning of a new dimensional world that is beyond the capacity of human mind. It is only God the creator and our True Parents who have gone to perfection can teach us about life in era after coming to heaven.

**5. We all became NEW BORN BABIES** Father said. The way of life of new born babies only depends on the parents, mostly from the mother. The fall took place because A/E became unfilial. Our completion would come from the perfection of our filial heart towards heaven and a life of always attending the parents. After Father Seonghwa, Mother told us to elevate our level of attendance to True Parents thru Loyalty & Filial Piety because they are required conditions of this period together with absolute faith, love & obedience, and COMPLETING our Portion of responsibility.

**6. Internal atmosphere and External situations** are similar to the 1<sup>st</sup> 7 yr course of 1960-1967 but in an advance conditions because we are in the transition period of substantially realizing the Kingdom of Heaven centering on Cheon Il Guk. Therefore, Father's speech in February 12 1961 (7 years Tribulation) is very much applicable to this date in this regard.

Even at the time of the proclamation of vision 2020, the lecture focuses on the comparison of this 7 year to the 1<sup>st</sup> historic 7 year course of 1960-1967 which became the pattern of direction of where and what we need to do in different stages of this period.

## **7. Our responsibility and focus:**

(a) high level standard of attendance thru filial piety = this is what we lost in the Garden of Eden and this is the last requirement for man to restore himself in front of heaven.

(b) strengthening our families and dedication of our 2<sup>nd</sup> generations = we are extended families of the True Parents, the image reflection of God's ideals and fruits of True Parents life-long investment therefore, we need to reach the standard that we can truly represent them.

(c) completion of tribal mission = True Parents have accomplished everything and reached the position of Kingship. Tribal mission is our way to inherit all the foundations laid by them including the Kingship level centering on our tribe and community

(d) unification of Koreas = restoration of the nation is the final battle we need to overcome to assure the realization of an ideal world of peace. Unification of Koreas is the last course and it is in the growth stage where satanic forces can still block its fulfillment.

**8. The 7 year MOTTO is our personal goal.** (a) position = Owners of CIG (b) lifestyle = culture of true love (c) personality = resemblance to God the creator

**9. HDH tradition and education.** God created everything centering on the word. Satan used the word to deceive man & destroy God's providence. Therefore restoration must be centered on the word and perfection can come about thru the words. We need to have clear understanding of the following:

(a) OSDP as backbone of our faith

(b) Cheon Seong Gyeong = code of ethics of Blessed Families

(c) Pyeong Hwa Gyeong = textbook to build an orderly and peaceful world

(d) Chambumo Gyeong = life course of True Parents and God's providential course centering on True Parents.

True Parents said tradition & education are 2 very important things to pass down to our descendants that's why True Mother are doing her maximum effort to properly align everything in our community to the right perspective and preparing and guiding the 2<sup>nd</sup> generation to lead the future. Mother's role is to bring the family to its completion starting from education up to house management and building it to its perfection.
